1971

A black and white photograph of a park scene. In the foreground, there are several large, dark tree trunks. In the background, a path leads through a wooded area, and a person can be seen walking in the distance. The overall tone is soft and nostalgic.

I can only think  
good things about you  
Jug, cause that's what  
you're made of. Even  
when we go our separate  
ways, I hope we keeps in

# YOUTH FOR UNDER STANDING

When I came to the United States of America in August, I had a pretty firm idea about what America and the Americans would be like. I had based my opinion on what I had heard from American exchange students in Sweden, what I had read in books and newspaper, and what I had heard on radio and television.

After about four months here, America was if not exactly, very much the way I had expected it to be. But then all of a sudden I started to notice differences that I had not seen or been able to see before, mainly because of the language barrier. The standard of living, the standard of the schools, the television and the food were still very much what I was used to and what I expected it to be here. But the more I started to discuss "heavier" things with people, I discovered very, very big differences in the ways of thinking and values. It is here that the importance of the exchange students come in. I don't think there is any other way for young people to understand these differences but to live in a native family for a year, go to school with students the same age, and try to be a part of the society. To bring understanding is the purpose of all the exchange student programs.

I would also really like to thank the Woodfin family and the staff and the students at Awalt for the past year's wonderful experiences. I really feel that I was a part of the class of 1971 and the memories I will take with me to Sweden will probably be the best ones of my life.

Peace on earth

# AMERICAN FIELD SERVICE

To explain what it means to me to be an AFS'er is rather hard, especially because this experience changes and develops differently every day. Now I am only at the halfway point of my year here and I know that when I will read again these words, after several months I will find that many of my impressions and ideas have changed, becoming weaker or stronger.

To be here for eleven month does not only mean to learn to know this particular face of America, the middle class people of Los Altos and the kids at Awalt. Yes, this is important and very interesting, but I feel that behind these "external" facts, something new and deeper is happening inside me.

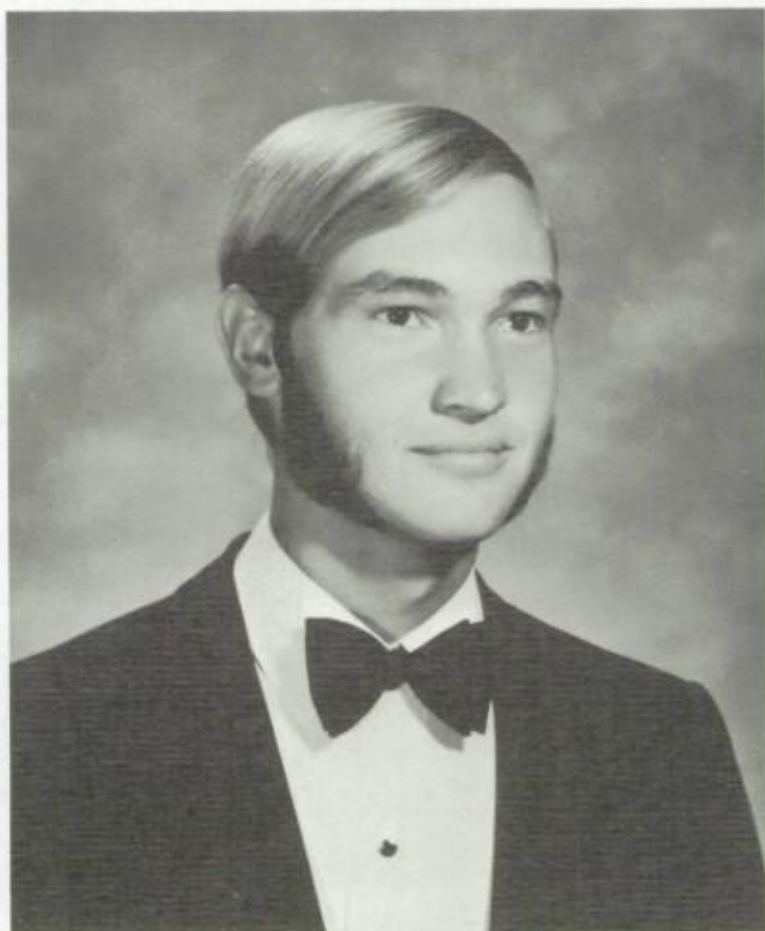

For the first time in my life I have found myself alone, and for the first time I have started to ask many questions about myself: Who am I? Where do I come from? Where am I going? It is, I feel, an important process of maturing that brings me to discover myself while I am discovering others.

The most beautiful feeling in the being an AFS'er is to learn to become able to communicate with people around me. The first months were really frustrating. I had so many things to say and yet the only listener was myself. Once started, everything becomes exciting, and to find so many people to exchange opinions with makes me feel very much richer than I was. That's why I am so grateful to all the people who, working hard and with love, make this miracle of understanding possible through the American Field Service.

# BOYS' AND GIRLS' STATE — 1970

Tom Johnson

Boys' State 1970  
by  
Tom Johnson

I was honored this past summer to attend the 1970 session of the California Boys' State held in Sacramento. It provided me with not only a first hand look at our state government by actually forming a similar one but, more importantly, gave me an added insight into the work, complexities, frustrations, and satisfactions that our government presents. In eight days, 850 delegates representing all the California high schools participated in every governmental procedure ranging from the appointment of a city dog catcher, to the entire process by which our governor is elected. With such a background, I find a greater sense of respect for our government officials and a sincere feeling of gratitude to the Boys' State sponsor, the American Legion. On a final note, California Boys' State was not only a laboratory of practical political science, but a satisfying reality that 850 strangers can, in one week, attain unity and accomplish a worthwhile and rewarding goal as well.

Janie Cowles

Girls' State 1970  
by  
Janie Cowles

Last July, 560 girls converged on the U.C. Davis Campus for eight days. I was Awalt's representative to Girls' State which was a practical experience in California State Government. The key words were involvement and participation.

But more important than this was the enthusiasm and friendship that resulted. All of us that first day were put into cities, counties and political parties. I was from Fremont in Kelsey County and a member of the Whig Party. I was elected City Councilman. From there we had County Elections.

Our stay was high-lighted by a visit from Governor Ronald Reagan and a tour of the State Capitol.

On Sunday night 560 friends with tear-filled eyes, left a Girls' State pledging to write each other.

There is only one way I can describe the atmosphere at Girls' State.

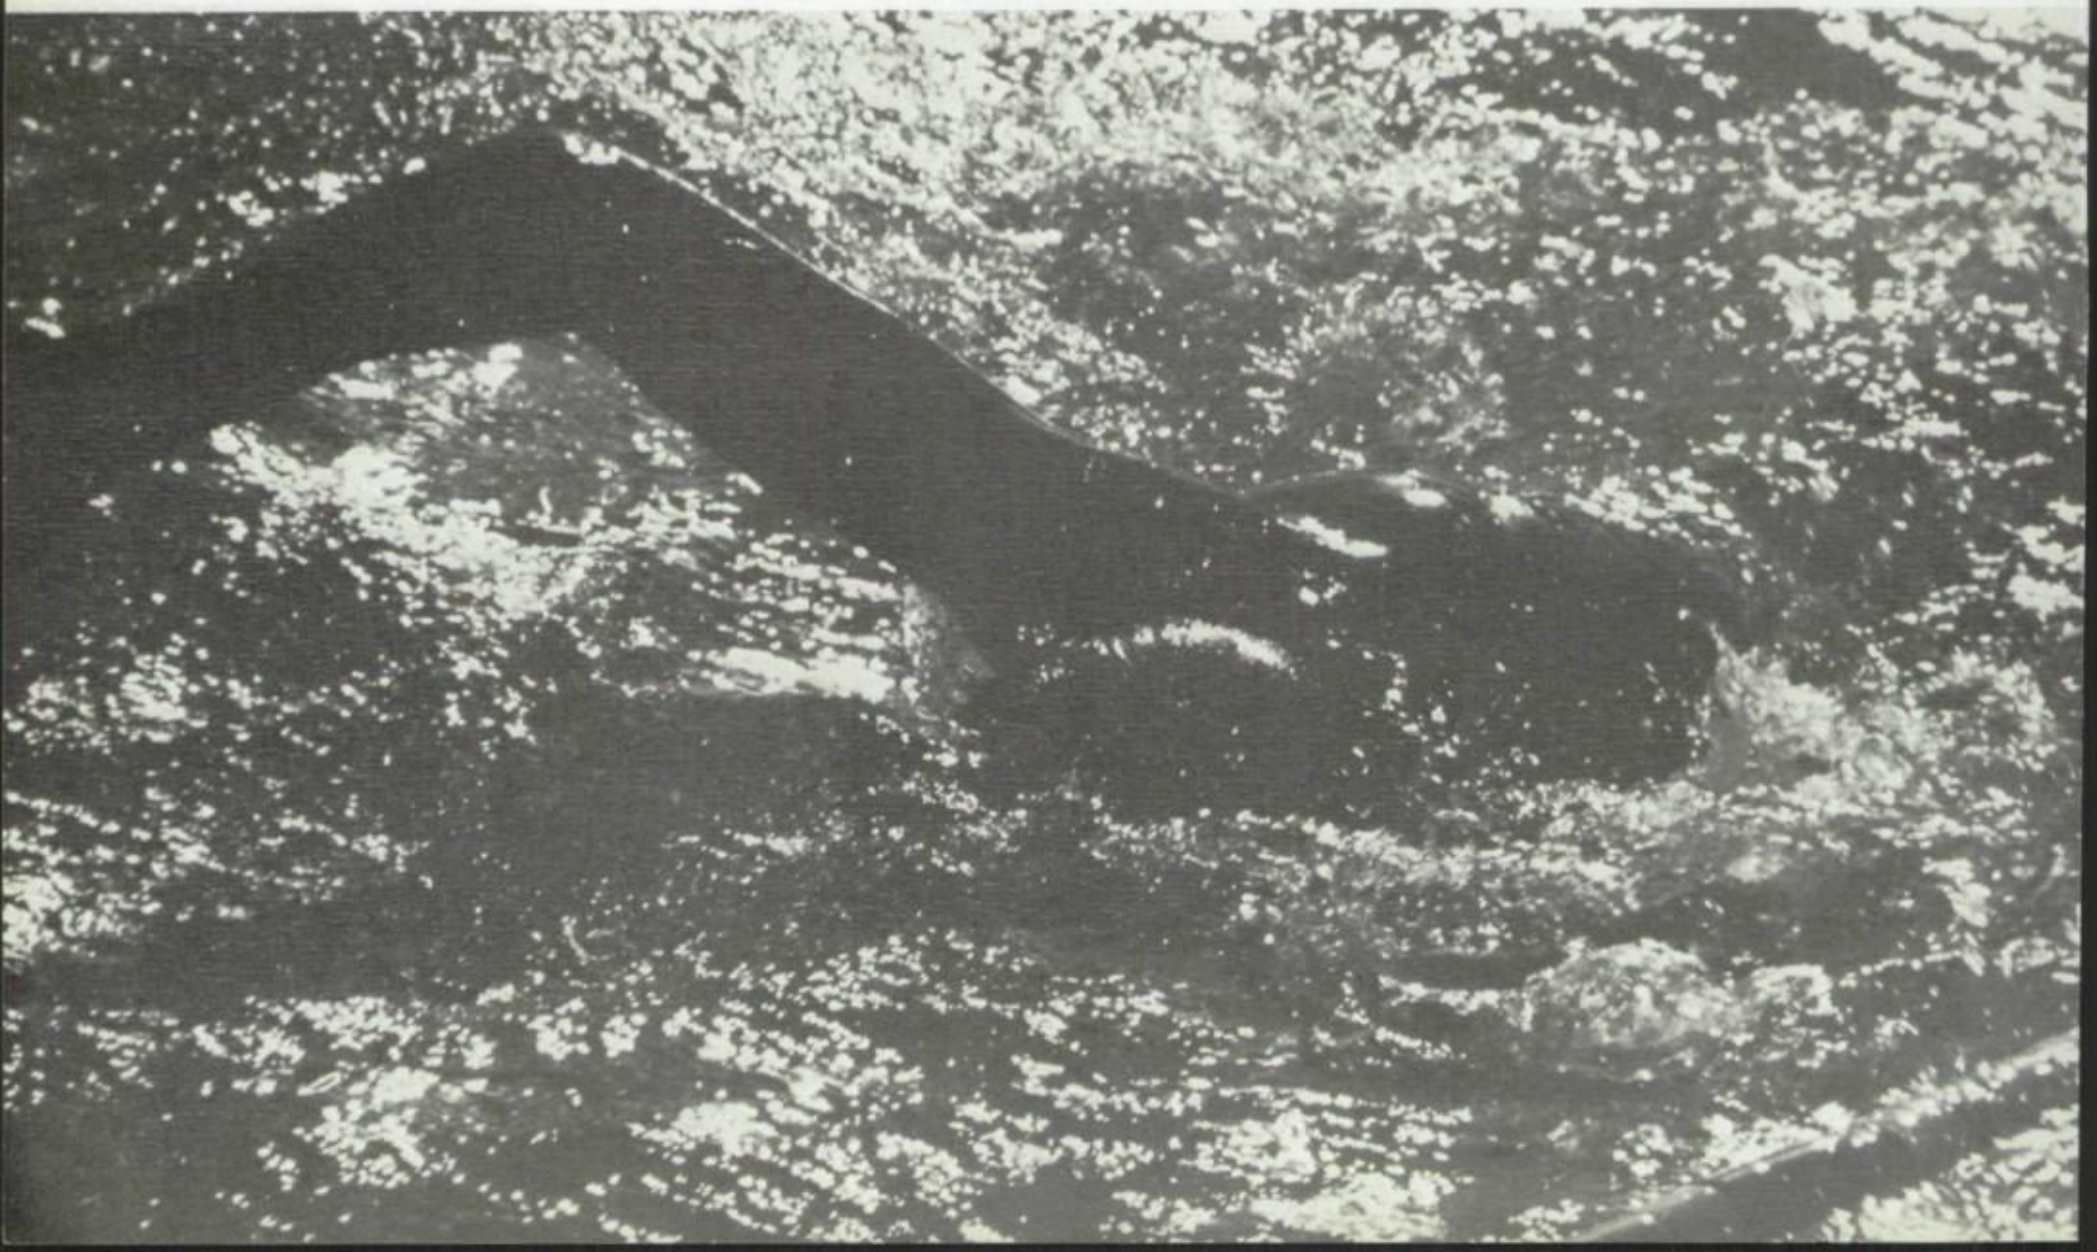

**THERE ARE NO STRANGERS AT GIRLS' STATE  
JUST FRIENDS WHO HAVEN'T MET.**

Thank you, Awalt and the American Legion for this fantastic experience.

Hey cheerleader—  
To a real rah-rah.  
no not really. I don't  
know what to say to you  
Sue. I really am looking  
forward to the summer &  
this next year. You are  
such a neat person Sue.  
Oh I can't think of  
anything. See ya later  
skinner! Oh I forgot  
you are super

# BEHIND THE SCENES

The Awalt Cafeteria Staff has the busy and hectic job of feeding the Awalt Student Body and Faculty. Each day they must concern themselves with preparing a tasteful and healthy lunch. The Cafeteria Staff also runs the Snack Bar as well as helping out at various parties put on by different organizations in the school. They are to be commended for their fine work and loyal service to the school.

The Awalt Custodial Staff does a fantastic job year after year, without recognition, of keeping Awalt beautiful. They diligently work at keeping the school grounds in the best condition possible. For example, they pick up trash that gets left lying around, they keep the classrooms, bathrooms, Commons, etc. neat and clean, and they also keep the landscape in order. Without the custodians, Awalt would be in very poor shape. They deserve to be recognized and thanked for services rendered.

Cafeteria Staff: B.Dumlao, J.Estabau, B.Galvau, R.Jost, J.Rowe, H.Schroder, B.Shaw, A.Single, A.Williams. Custodial Staff: J.Biedma, W.Boggiano, L.Carle, V.Caywood, L. Fontanlia, J.McGoldrick, R.Mears, E.Moorman, N.Nodurft, C.Olson, J.Read, W.Reed, H. Rolen, F.Torda, M.Veglia.

The library workers here at Awalt sometimes have a difficult time keeping the library quiet and in order so that students can work. They do an excellent job, while at the same time keeping the bookshelves and card catalogues organized. Awalt has a very good library due to the hard work, efficiency, and patience of our dedicated library staff.

The Awalt Clerical Staff is a group of hard-working women who are always ready to help out a frantic student and get everything straightened out. The Clerical Staff usually goes unrecognized, but they deserve more credit than they have been given.

Awalt's Work Experience Program offers all students equal opportunity to obtain a job and learn while earning school credits that will help them to college.

The Resource Aides are a very necessary part of the school. They are important to not only the students, but to the teachers as well. They keep the Resource Centers quiet and assist the teachers with typing and other clerical work.

Clerical Staff: D.Barrientos, P.Clark, C.Connett, R.Gabb, B. Gassin, I.Gregg, L.Hair, A.Holzmueller, J.Klamm, P. Perkins, P.Mace, C.Mangels, G.Moore, H.Rojas, D.Shultz, E.Wilson, L.Worrell, K.Yamakoshi.

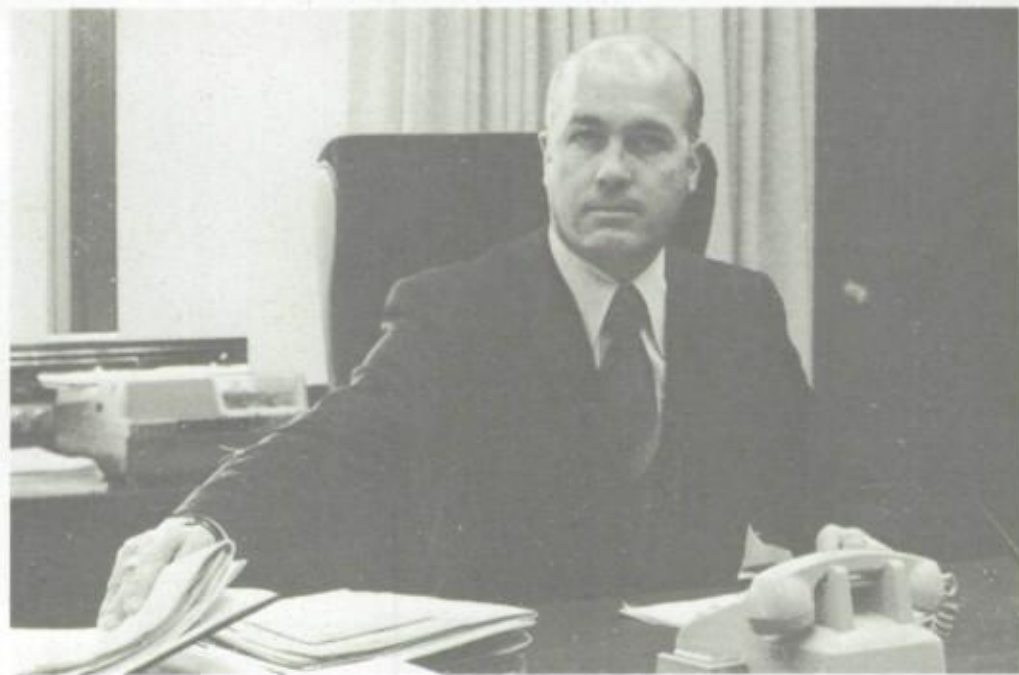

# DISTRICT ADMINISTRATION

Above, Board Members Dr. Wayne Parcel, Mrs. Richard P. Wheat, Mr. William A. Janes, Miss Delia Ybarra, and Mr. Charles W. Hayden.

Right, Acting Superintendent Dr. Paul W. Major.

Below, from left to right: Mr. Irval W. Carter, Assistant Superintendent; Mr. Stanley Anderson, Deputy Superintendent; Miss Ruth Lawrence, Deputy Superintendent, Curriculum; and Mr. Stanley Thompson, Business Services Manager.

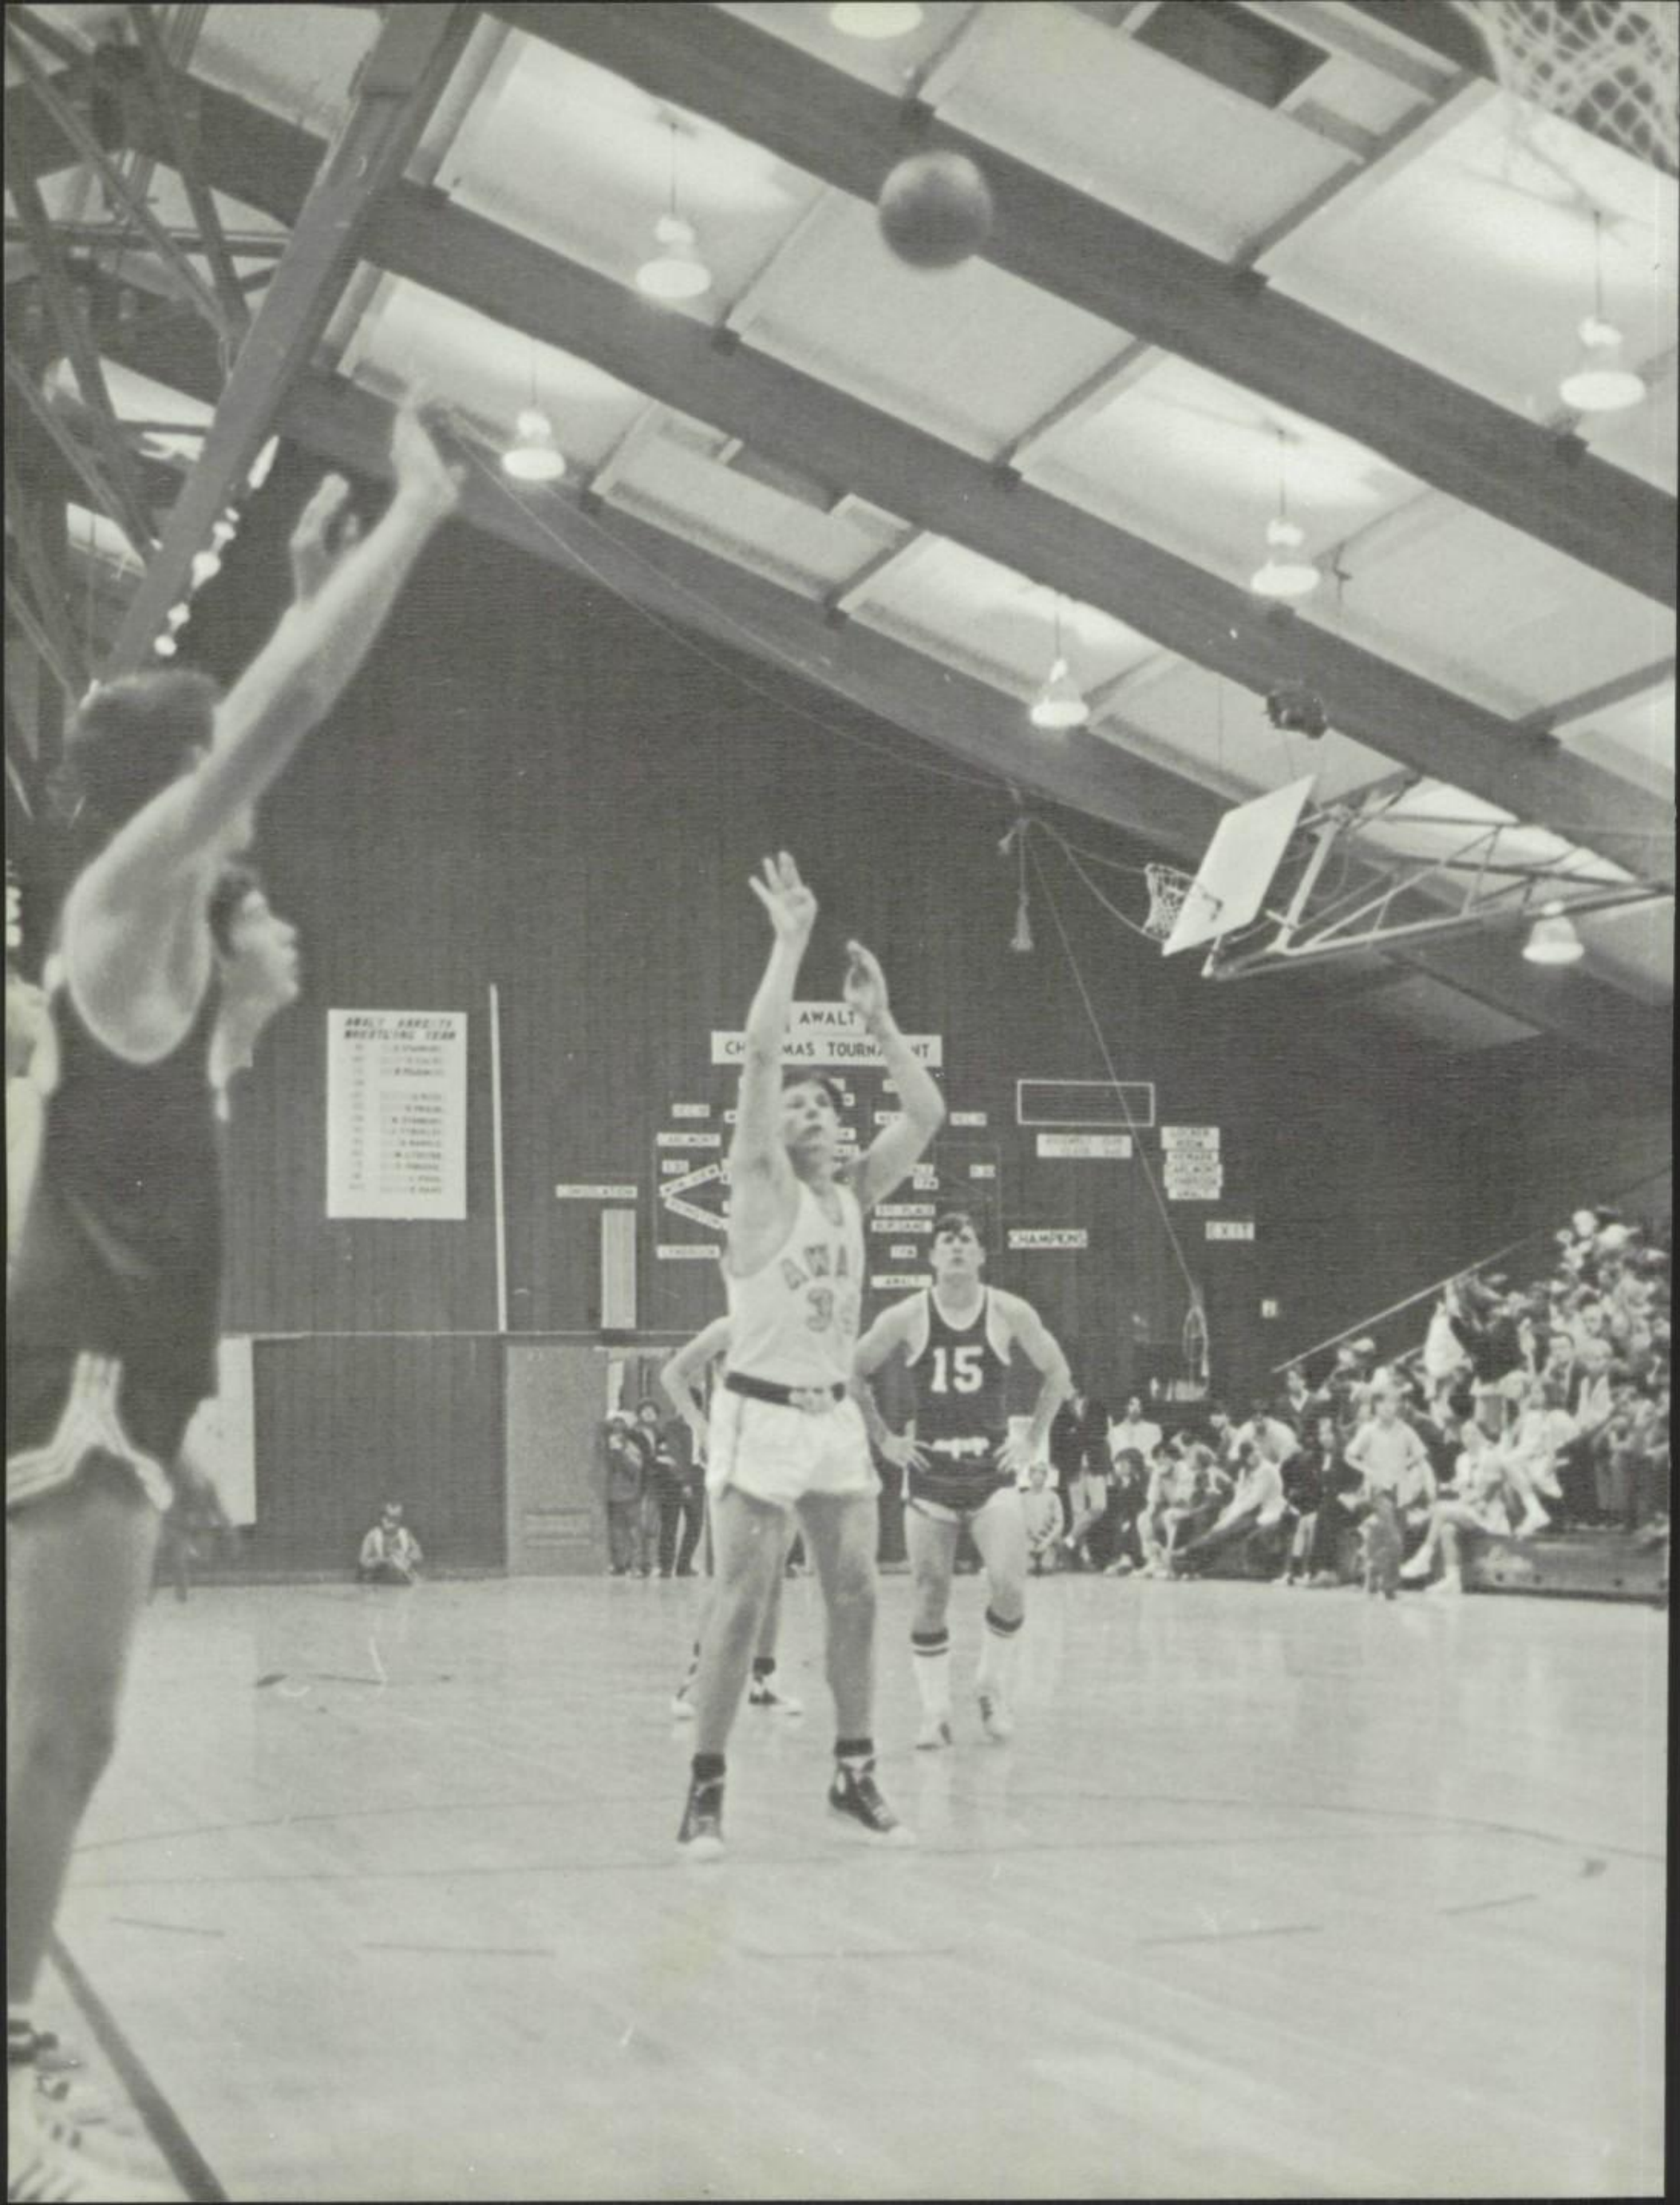

In remembrance of Robyn Smith and Mr. Rudy Giskin

# SPORTS

# AWALT'S FIRST FOOTBALL

The 1970 Awalt Junior Spartans posted an 8-1 overall season record and a 5-1 Santa Clara Valley Athletic League record, good enough to win a league co-championship.

Even though their record was 2-0, the JVs were still wondering just how good they were as they took the field at 6:00, October 3 against their first tough foe, Yuba City. By 7:30 they had their answer--they were very good. Led by an awesome offense which was

to average 26 points per game and a quick thinking and hard hitting defense which was to yield only 8 points per game, the JVs demolished Yuba City 40-8, roaring back from an 8-8 first quarter tie.

From there on the two undefeated grid powers of the JV National Division, Awalt and Los Altos, played winning football and waited for each other. On Oct. 23 the two undefeated powerhouses collided on the Los

Altos field. In a game marked by the Junior Spartan's opportunistic defensive play, Awalt rallied from an 8-0 deficit to defeat their arch-rivals 22-14.

Injuries, mud, and a fateful punt return spelled the end of the JVs' hopes for an undefeated season as Peterson beat them 7-6. But on the two succeeding weeks, the JVs came back to preserve their share of the title by downing Mt. View and Wilcox.

# FRUSTRATING SEASON FOR VARSITY FOOTBALL

The 1970 Football season was a frustrating one for the Spartan Varsity Team. Anticipating a winning season the Spartans were hit early with key injuries which continued to plague them throughout the season. In spite of these handicaps the players spirits remained high. Unable to establish a consistant offensive effort, the Spartans nevertheless continued to play hard hitting football. Highlights of the season included the tremendous game with Los Altos at Foot-hill College. The Spartans came from behind twice against the bigger, very touch Knights. Awalt led in the third quarter before finally losing to the Santa Clara County Champs 18-13.

The win over highly rated Yuba City was another high point of the season. The Spartans maintained their winning tradition by beating Mt.View and Wilcox to finish with a respectable 5-4 season record.

Seniors contributed outstanding efforts throughout the season were Mark Denardo, Pat Martin, Mike Yancey, Steve Haas, Doug Kneubuhl, and Bill Klamm. Although disappointed in the season's outcome, Coach Niebaum praised the efforts and positive attitude of the team in the face of many misfortunes and setbacks.

Members-J.Alexander, F.Chesnut, S.Crider, C.Crowe, C.Daubin, M.Denardo, G.Everett, R.Gwillim, S.Haas, D.Hovey, J.Kessler, B.Klamm, D.Kneubuhl, D.Lilley, J.McAlister, G.Manthey, P.Martin, J.Mastandrea, K.Rich, S.Rich, G.Roberts, J.Rowney, B.Sommerville, B.Thompson, M.Torgerson, J.Tyburczy, M.Yancey, E.Yoshikawa.

# AWALT DUMPS SANTA CLARA, 28 TO 6

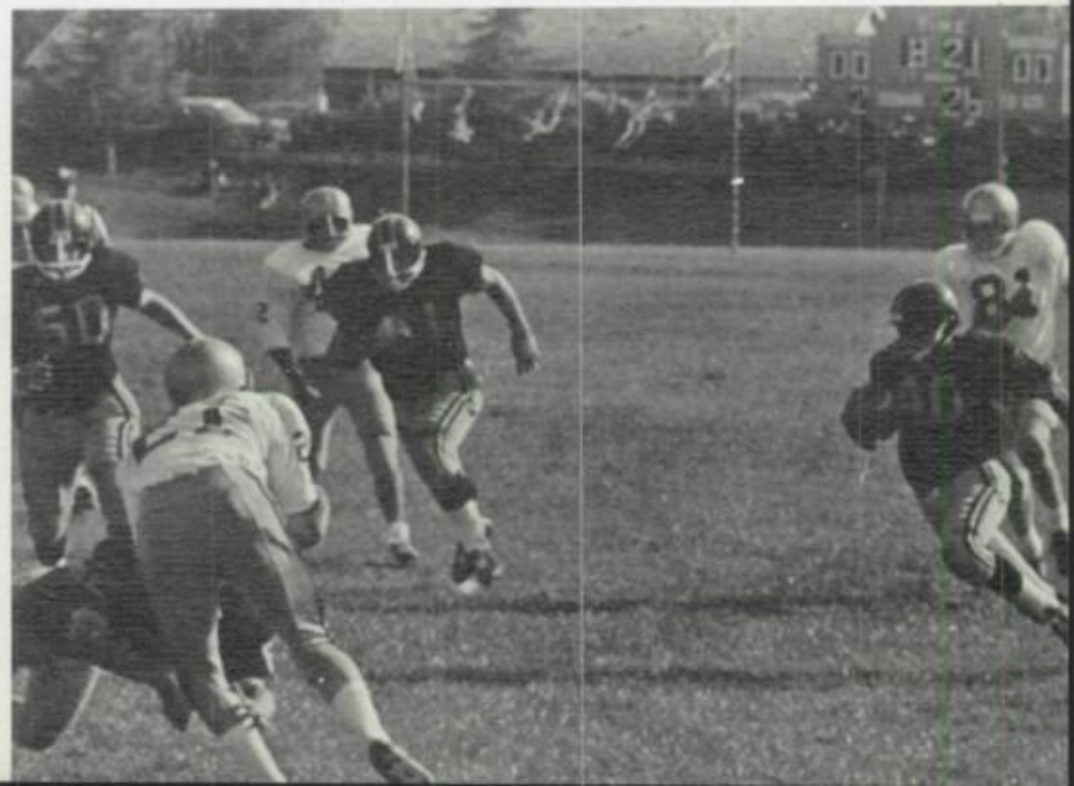

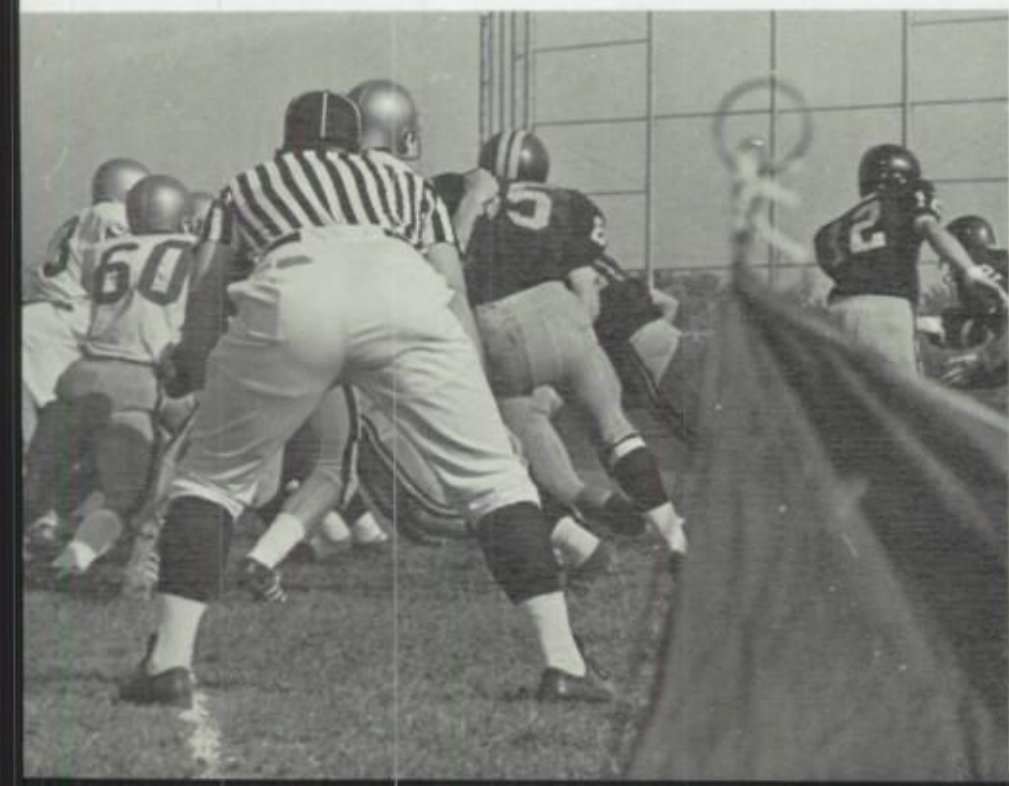

Homecoming was high lighted by the return of Quarterback Bill Klamm who was out with injuries the previous games.

Bill responded to the situation by completing 11 of 21 passes for 156 yards and leading the Spartans to a 28 to 6 victory over the Santa Clara Panthers. Pass protection for Bill was excellent all afternoon as lineman Haas, Martin, Chesnut, Daubin, and Alexander formed an impregnable wall against the Panther rushes.

The defense was excellent in shutting off the Panthers ground game for a minus 7 yards. Linebacker Mike Yancey was the spearhead of the group dumping the Santa Clara Quarterback for a number of losses. Mike was aided ably by defensive guard Pat Martin, Linebacker Mark Denardo, and Tackle Steve Haas. Doug Kneubuhl provided a key pass interception and return deep into Panther territory. The efforts of the defense provided the impetus for the Spartans best offensive effort of the season and a great afternoon for all Spartan fans.

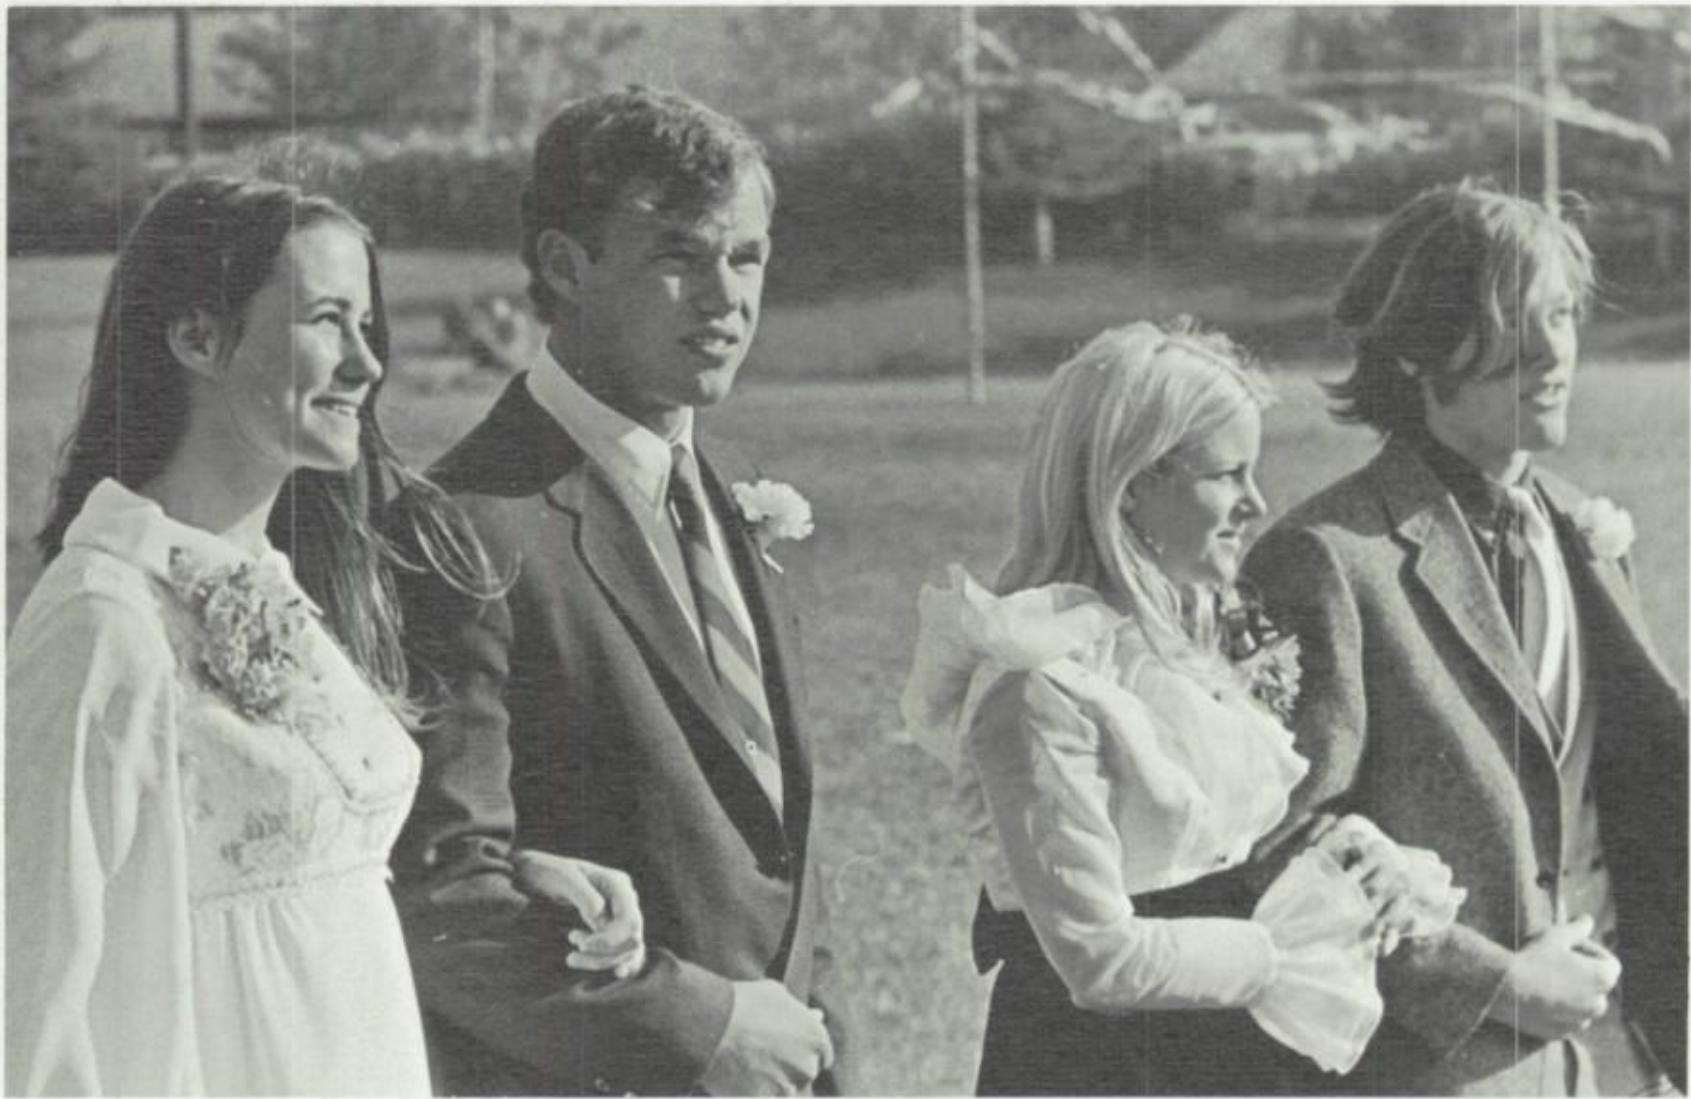

# A QUEEN IS CROWNED

Homecoming for 1970-1971 was highlighted by the crowning of Patty McGoldrick as Homecoming Queen. Princesses were Kathy Kares, Frankie Long, Karen Pilcher, and Sharon Adamowicz. Patty's acceptance speech consisted of: "Thank you all very, very much!"

*It has been fun this year and I'm glad there is a mother and know hope I see this summer. Rusty Bumstead.*

# VARSITY WATER POLO

The Varsity Waterpolo Team enjoyed a happy season this year. Although not posting a strong win-loss record (4-6), each player benefited from Mr. Bob Lee's coaching.

Kelly McGuire, Craig VanZandt and John Woodfin sparked the offensive thrust of the team and really displayed enthusiasm as well as effort throughout the season. Kedar Stanbury, honorable mention all-league goalie, led the defense.

Next year the Spartans will be strong contenders for the league championship with returning starters Craig Van Zandt, 2nd Team All-League, John Woodfin, Rusty Bumstead, and Doug Herfurth.

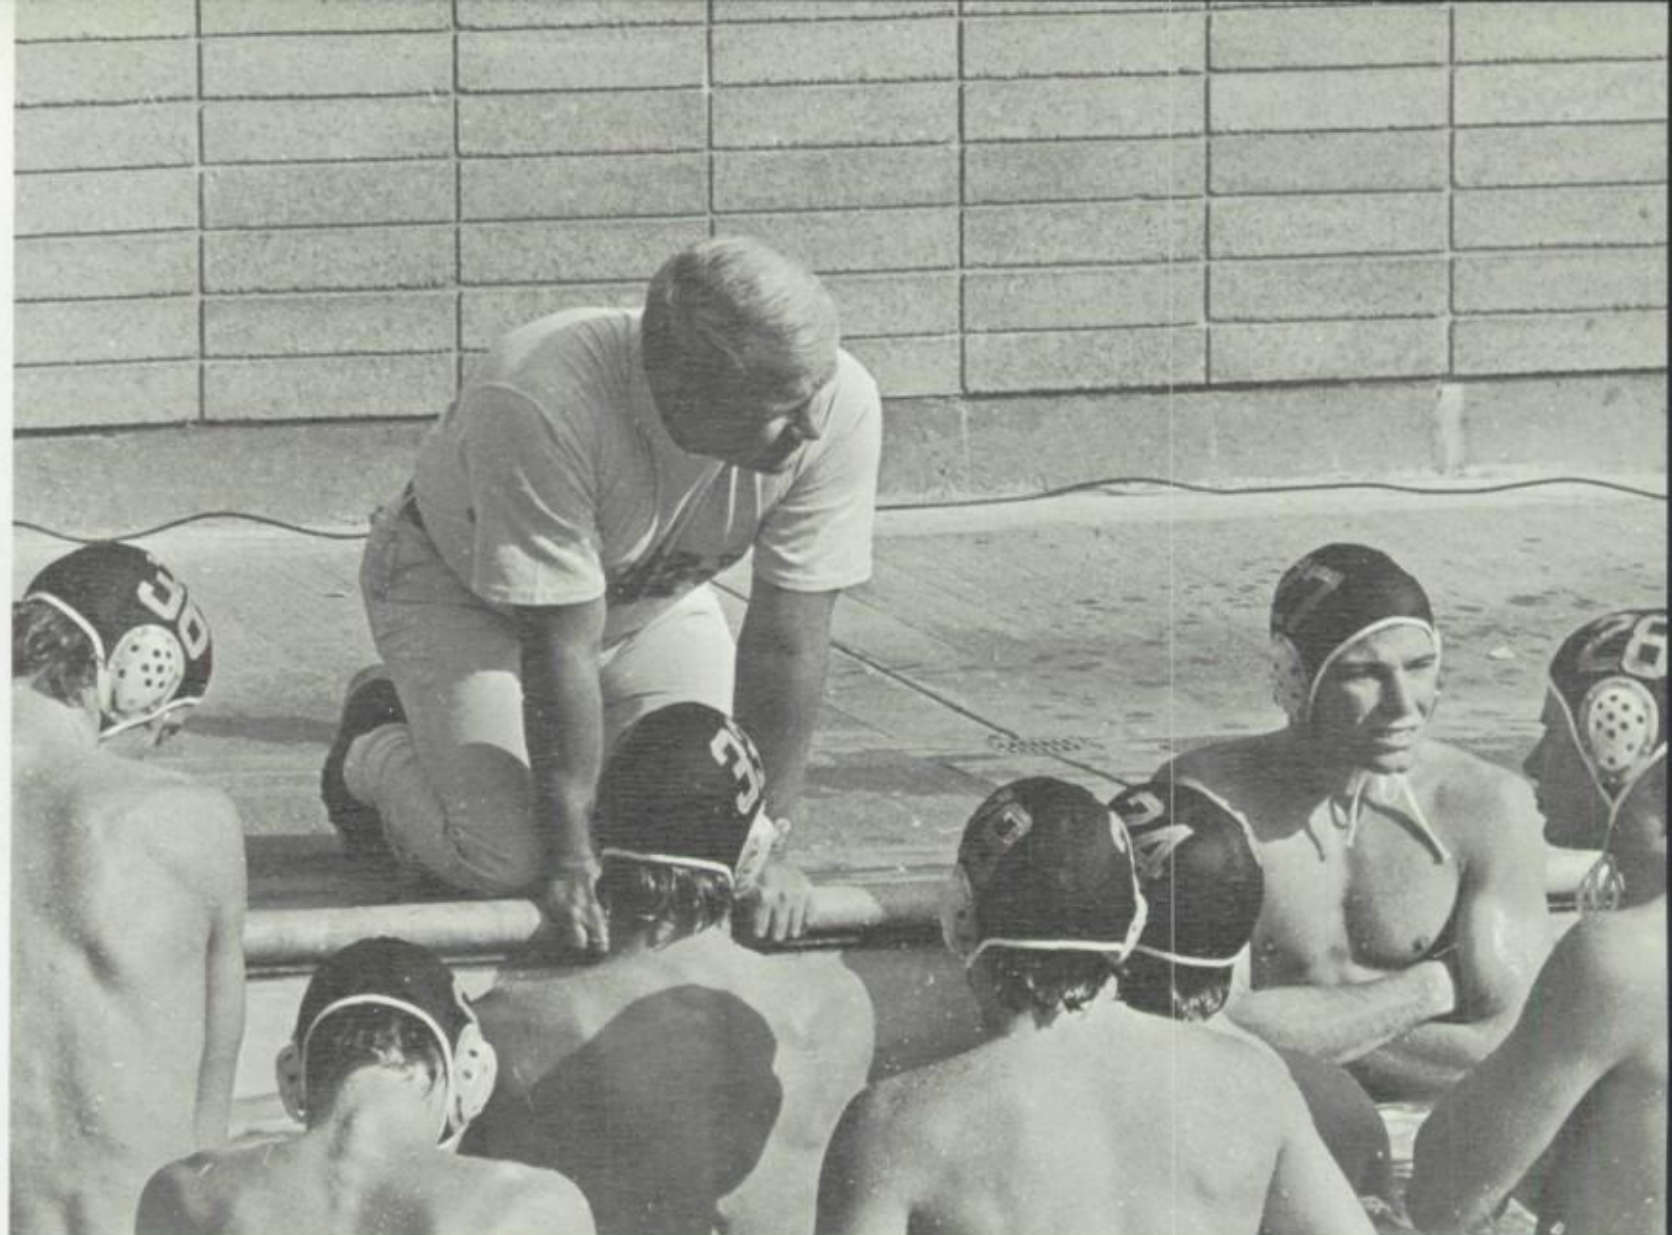

Rusty Bumstead puts on a tight defense.

## FROSH-SOPH WATER POLO TAKES SECOND

The Frosh-Soph Waterpolo Team had an outstanding season, finishing second in the Santa Clara valley Athletic League. Buff Grieder, Most Valuable Player-SC.V.A.L., led the offense with 56 goals. Other all-league such as Fitz Fitzgerald, Glenn Yasaki, Sean Stanbury, and Kyle Samuels also contributed to the Spartans' success. Freddy Ehlers, deserving of an all-league award, yet denied, provided the team leadership. Next year should prove to be another successful year. The team will be lead by the greatly admired Keith Bauer and Craig VanHorn.

Team members-Mark Barrett, Keith Bauer, Fred Elhers, Jim Fitzgerald, Frank Forencich, Buff Greider, Dave Helsop, Dave McGiven, Mike Pacheco, Steve Poupodapoulis, Kyle Samuels, Sean Stanbury, Randy Tom, Richard VanHoren, Glen Yasaki.

# SPARTANS FACE TROUBLED WATERS

Awalt's Swimming and Diving Team started its 1971 season by meeting the Sunnyvale Jets in the Spartan pool on March 2. The league schedule for the season will pit the Awalt team against Peterson, Buchser, Homestead, and San Carlos. League finals will be held May 1.

Prospects for the season are not as good as they have been in past seasons. Despite a strong Junior contingent spearheaded by Van Zandt, Bumstead, Smith, and Thomas, there is only one senior competing—Curtis Folsom. As the season progresses, the Varsity squad may be bolstered by the addition of Buff Grieder and other Sophomores.

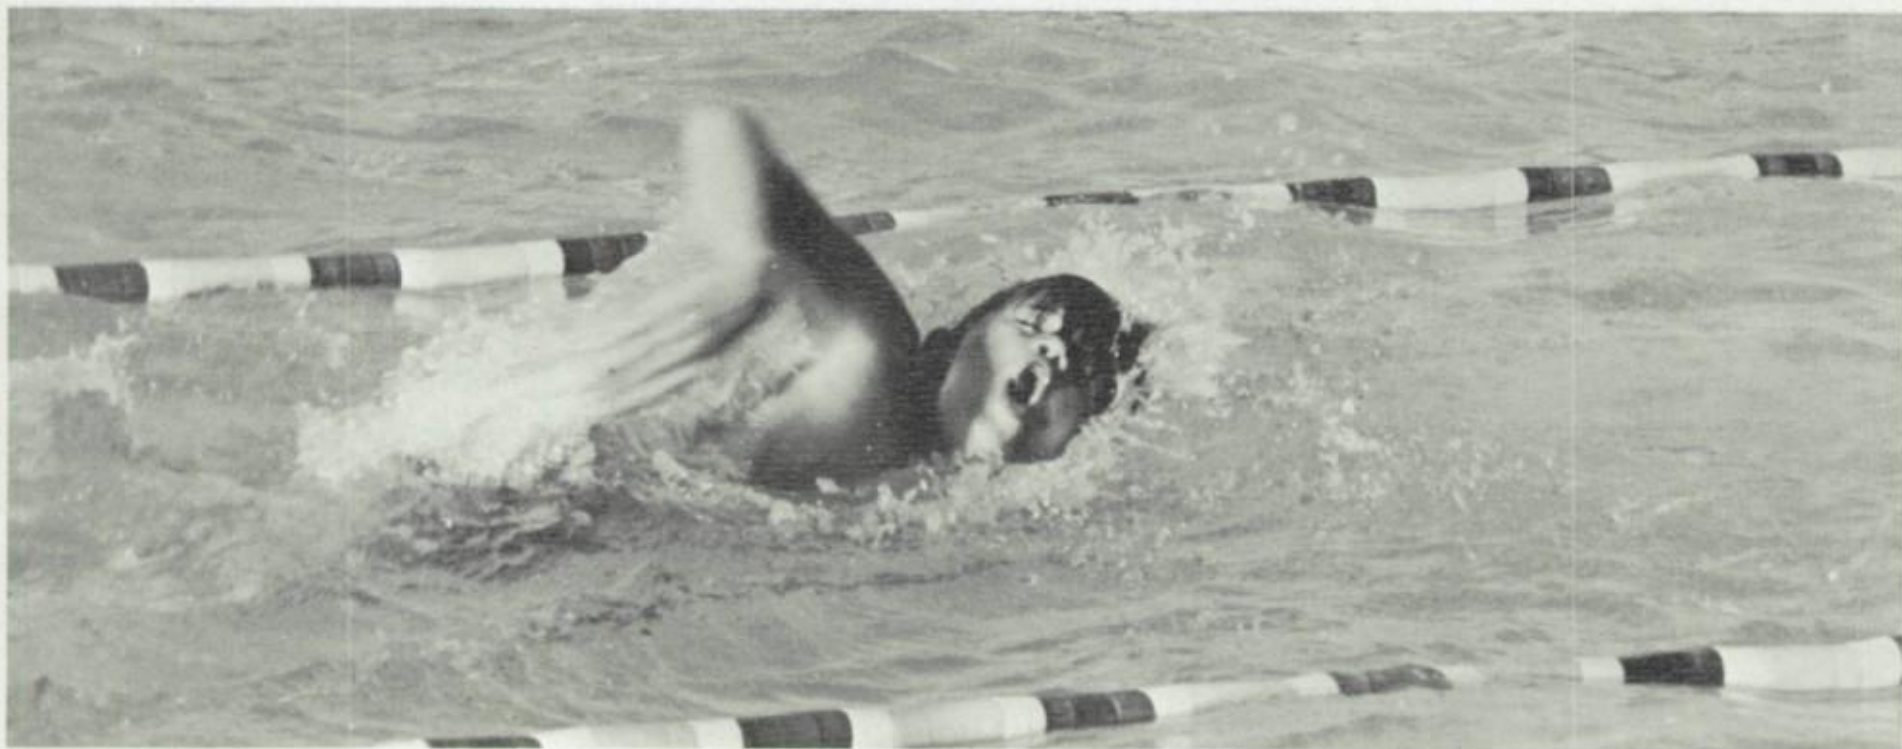

Diving Coach Dennis Devine has high but not necessarily unrealistic hopes for his team. Coach Devine is counting on Stanbury and Richardson to secure a place in the league finals for Awalt. The Frosh-Soph team should turn in an impressive performance led by Collier, Kosling, and Pacheco.

# VARSITY BASKETBALL HEAVY ON HUSTLE

Fielding a team small in stature but big in hustle, the Awalt Varsity Basketball squad achieved a very successful season. Although suffering a dubious loss to not-to-strong Mountain View ball club in the first game, they came on strong the rest of the season. In an exciting rematch of a game in which they lost earlier, our boys defeated the strong Cupertino club. The Spartans also proved to be a club to be reckoned with by such basketball powers at Los Altos and Freemont. The season came down to game with Lynbrook for a berth in the Shaungnessy Playoffs. Awalt lost but it was the first time Awalt has had ever a chance of getting in the playoffs, Walt Mills proved to be the cog of the team, and is a sure All-League candidate. Other spark plugs include Rick Swanson, Mike Yancey, and Steve Rich.

# JUNIOR VARSITY BASKETBALL TAKES SECOND IN LEAGUE

The 1970-1971 Junior Varsity Basketball season was as good as one would want short of winning the Championship. At one point in the season the team had racked up ten consecutive wins.

The most gratifying aspect of the season was the improvement of individual team members which led to the overall success of the team. Outstanding players who improved the most were Rich Toschi, Larry Rosenthal, and Scott Clarke.

An overall analysis of the team can be summed up by saying that hard work, desire, 100% effort, and teamwork made for a winner.

B.Channing, P.Christensen, S.Clarke, D.Clawson, R.Dumlao, J.Frost, R.Halvorson, M.Jacob, M.McKinley, B.Mills, J.Munoz, D.Poppen, J.Pushkin, H.Ramey, L.Rosenthal, R.Toschi.

# VARSITY BASEBALL HIGH ON POTENTIAL

Even though a record number of Seniors are out for the Varsity Baseball Team, the team lacks experience. But even so, there is a great amount of potential on the squad. Doug Clinkinbeard is one of the best prospects in the infield that Coach Acker has had in a long time. Another player who should develop more is Doug Kneubuhl, who is out for the first time.

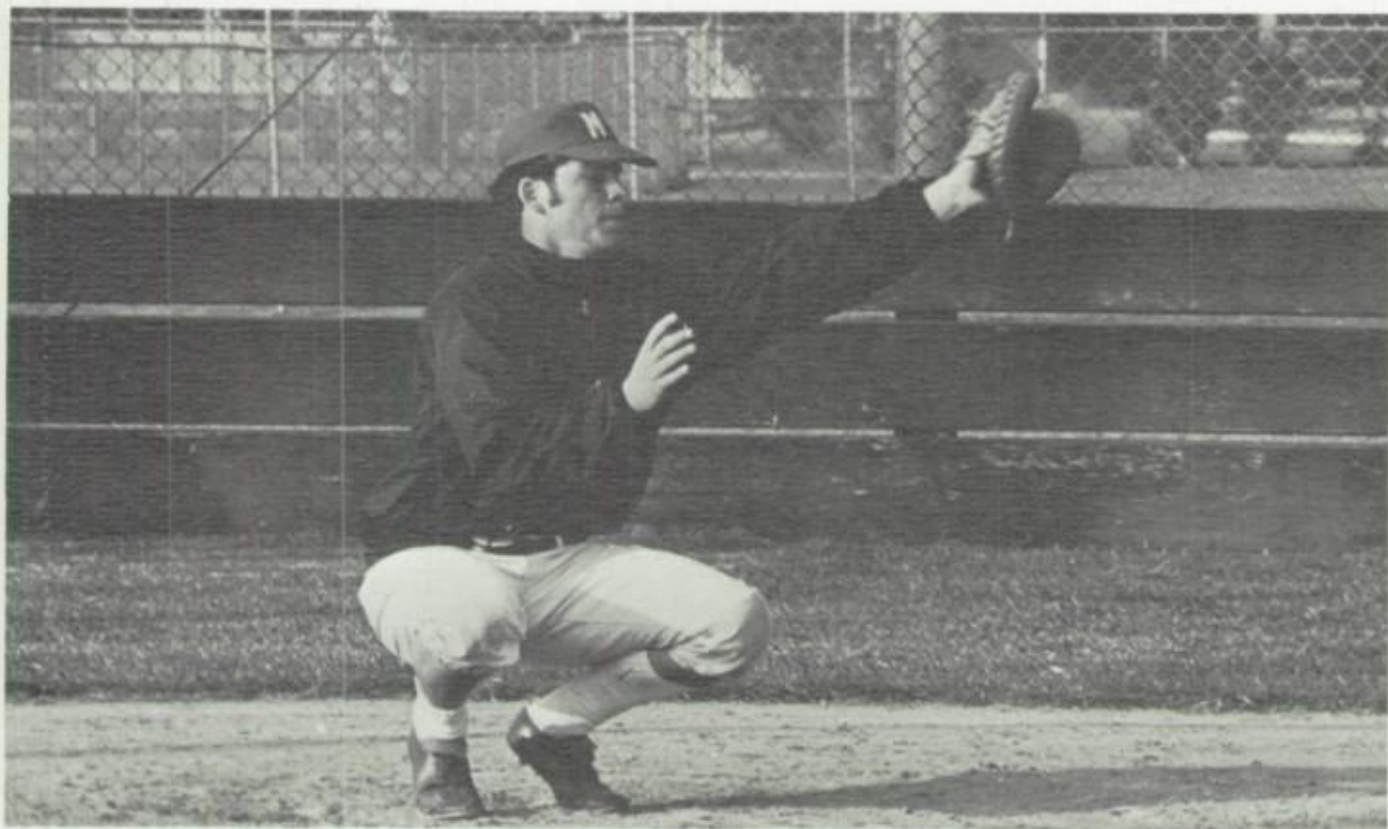

The Team's strengths lie where there is the most experience—catching, pitching, and outfielding. Mike Antonoff, returning Senior, will be catching along with Jeff Hughes, who, adds his good hitting to the team. At pitching, Pat Martin and Mike Yancey should prove to be valuable. In the outfield Steve Baker adds a great deal of talent and Dan Bayerd, along with his outfielding, is a good hitter. Also because of the depth of the pitching staff, Pat Martin and Mike Antonoff could play the outfield in addition to pitching.

According to Coach Acker, hitting is always questionable in high school baseball. But he has at least four players he can count on to hit consistently well.

M.Antonoff, C.Apostolou, S.Baker, D.Bayerd, R.Clauss, D.Clinkinbeard, M.Denardo, J.Hughes, D.Jimenez, D.Kneubuhl, B.Lettis, P.Martin, M.Mc Kinely, A.Miller, D.Moudy, J.Reid, R.Swanson, M.Yancey.

# GOOD FIRST SEASON FOR SOCCER

Awalt's students witnessed a new sport being played on the campus this winter. The world popular game of soccer made a modest beginning of Awalt by attracting fifty or so spectators to most of the home games.

The most exciting match proved to be the Varsity game against Sunnyvale in which both teams scored most of their goals in the last quarter and the two overtime periods to end the game in a 3-3 tie.

The Varsity squad, with previous experience in the Awalt Soccer Club, managed to hold its own in the league despite the loss of two valuable players in practice games.

Both Rick Coen, team captian and center forward, and Steve Good, goalie, suffered broken legs in pre-season practice games. The Varsity team finished its season with a 4 win, 3 loss, 1 tie record by edging out Los Altos 2-1 in an overtime game. Exceptional players were Hasan Bilgutay, Dirk Gallagher (halfbacks), Paul Hager, Art Flynn (wings), Roland Peter (forward), Dale Guidoux (forward and fullback) and Jeff Hughes (goalkeeper).

The Junior Varsity squad comprised almost entirely of beginning players, showed a keen desire to learn and a remarkable spirit of cooperation. A strong passing attack led by team captain Bill Kefauver and inside forward Joe Wilson assisted by left wing Randy Haberl caused considerable worry for even the toughest opposing defense. Noteworthy defenders for the Junior Varsity squad were aggressive goalie Jeff Tye and fast interceptor Paul Holzhauser.

Varsity: H. Bilgutay, R. Coen, A. Flynn, E. Francis, D. Friedman, D. Gallagher, D. Guidoux, P. Hager, K. Hovland, J. Hughes, R. Peter, G. Rice, A. Sanchez, J. Tye, B. Wey, J. Wilson, S. Wik. Junior Varsity: S. Beck, T. Boeckling, R. Brickert, J. Callister, B. Conquest, R. Gentry, R. Haberl, J. Halliday, S. Hempe, P. Holzhauser, B. Kefauver, M. Kraska, A. Levien, S. Malatesta, J. Nelson, G. Pfeffer, P. Tiffany, T. Young.

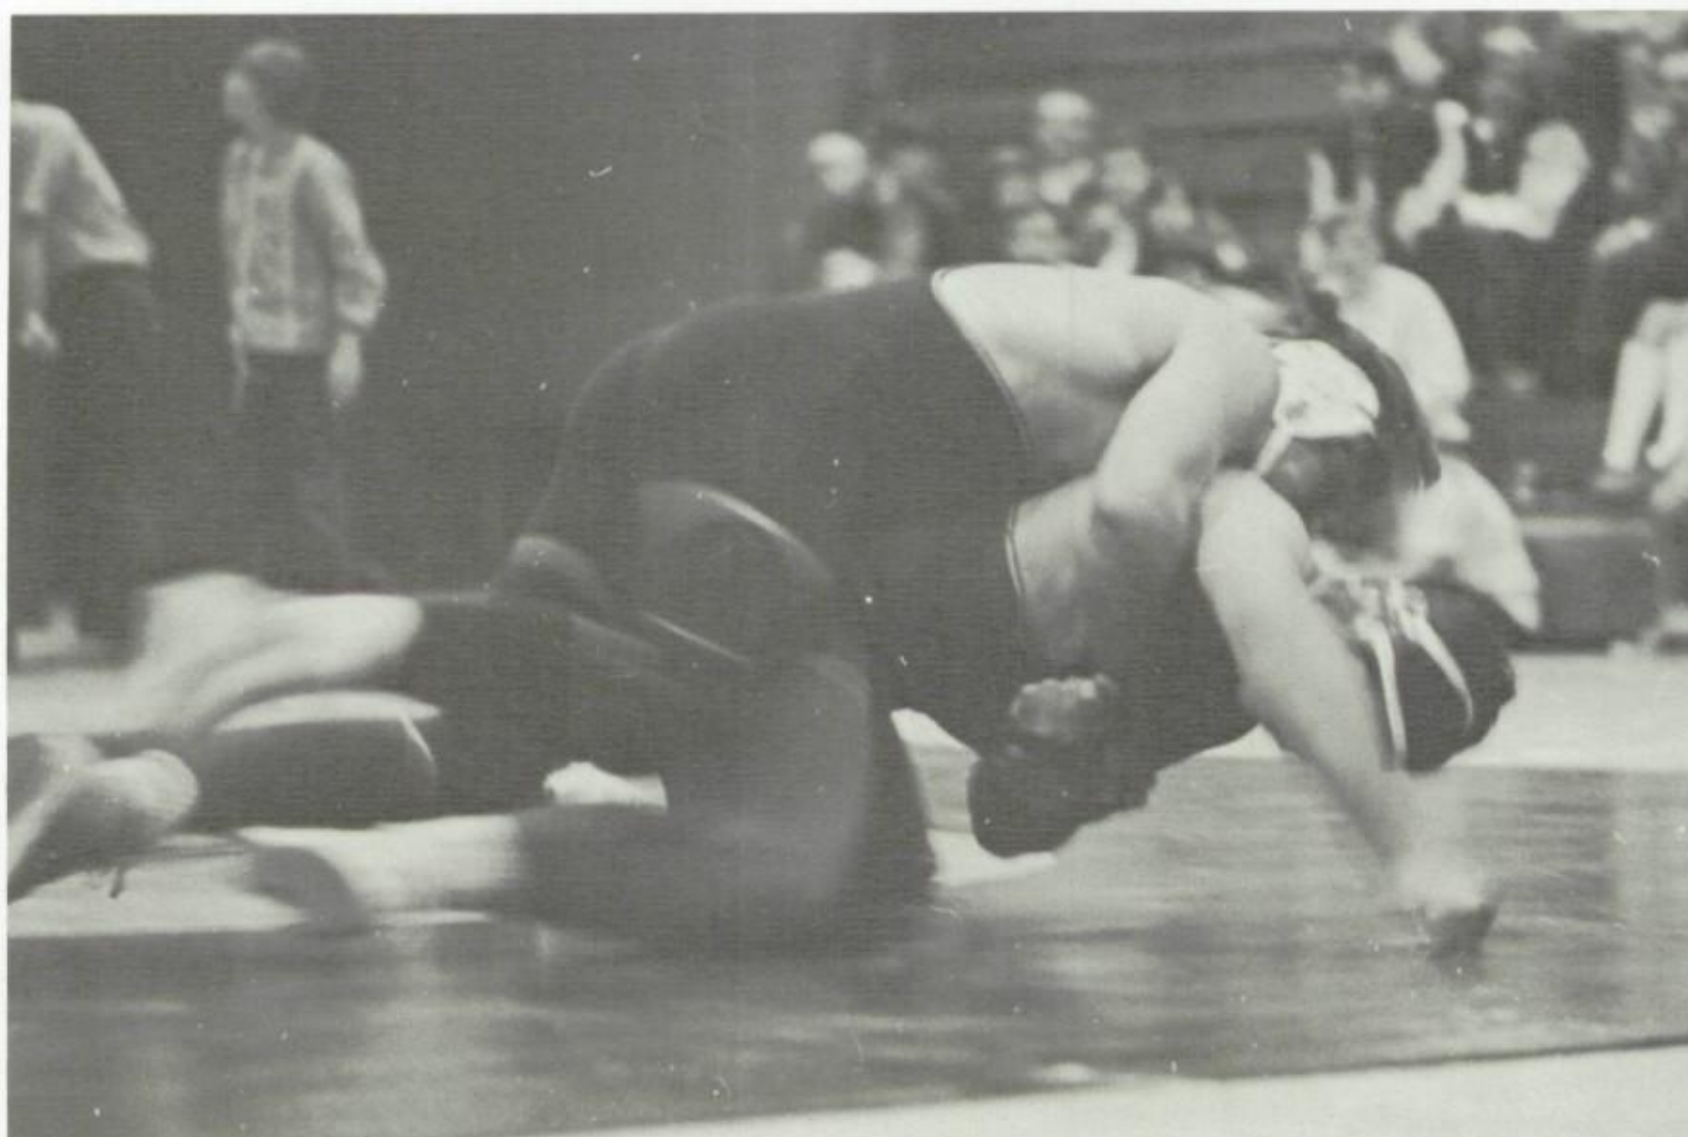

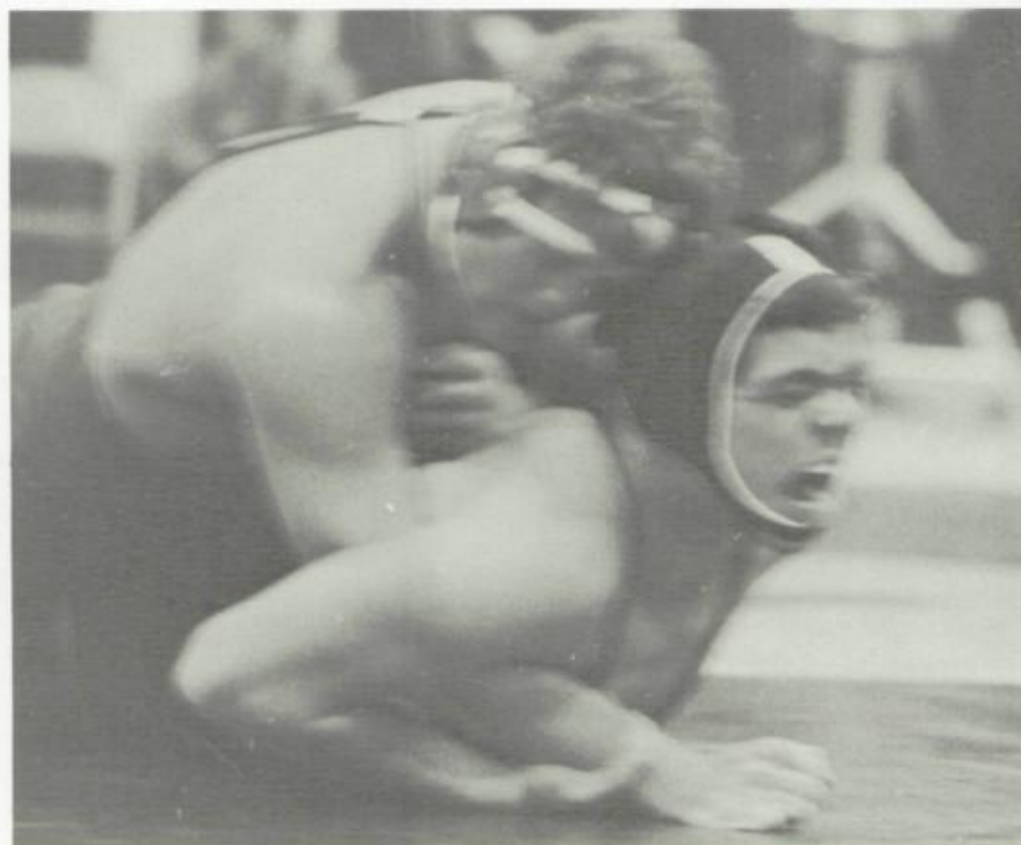

# VARSITY MATMEN ON THE MOVE

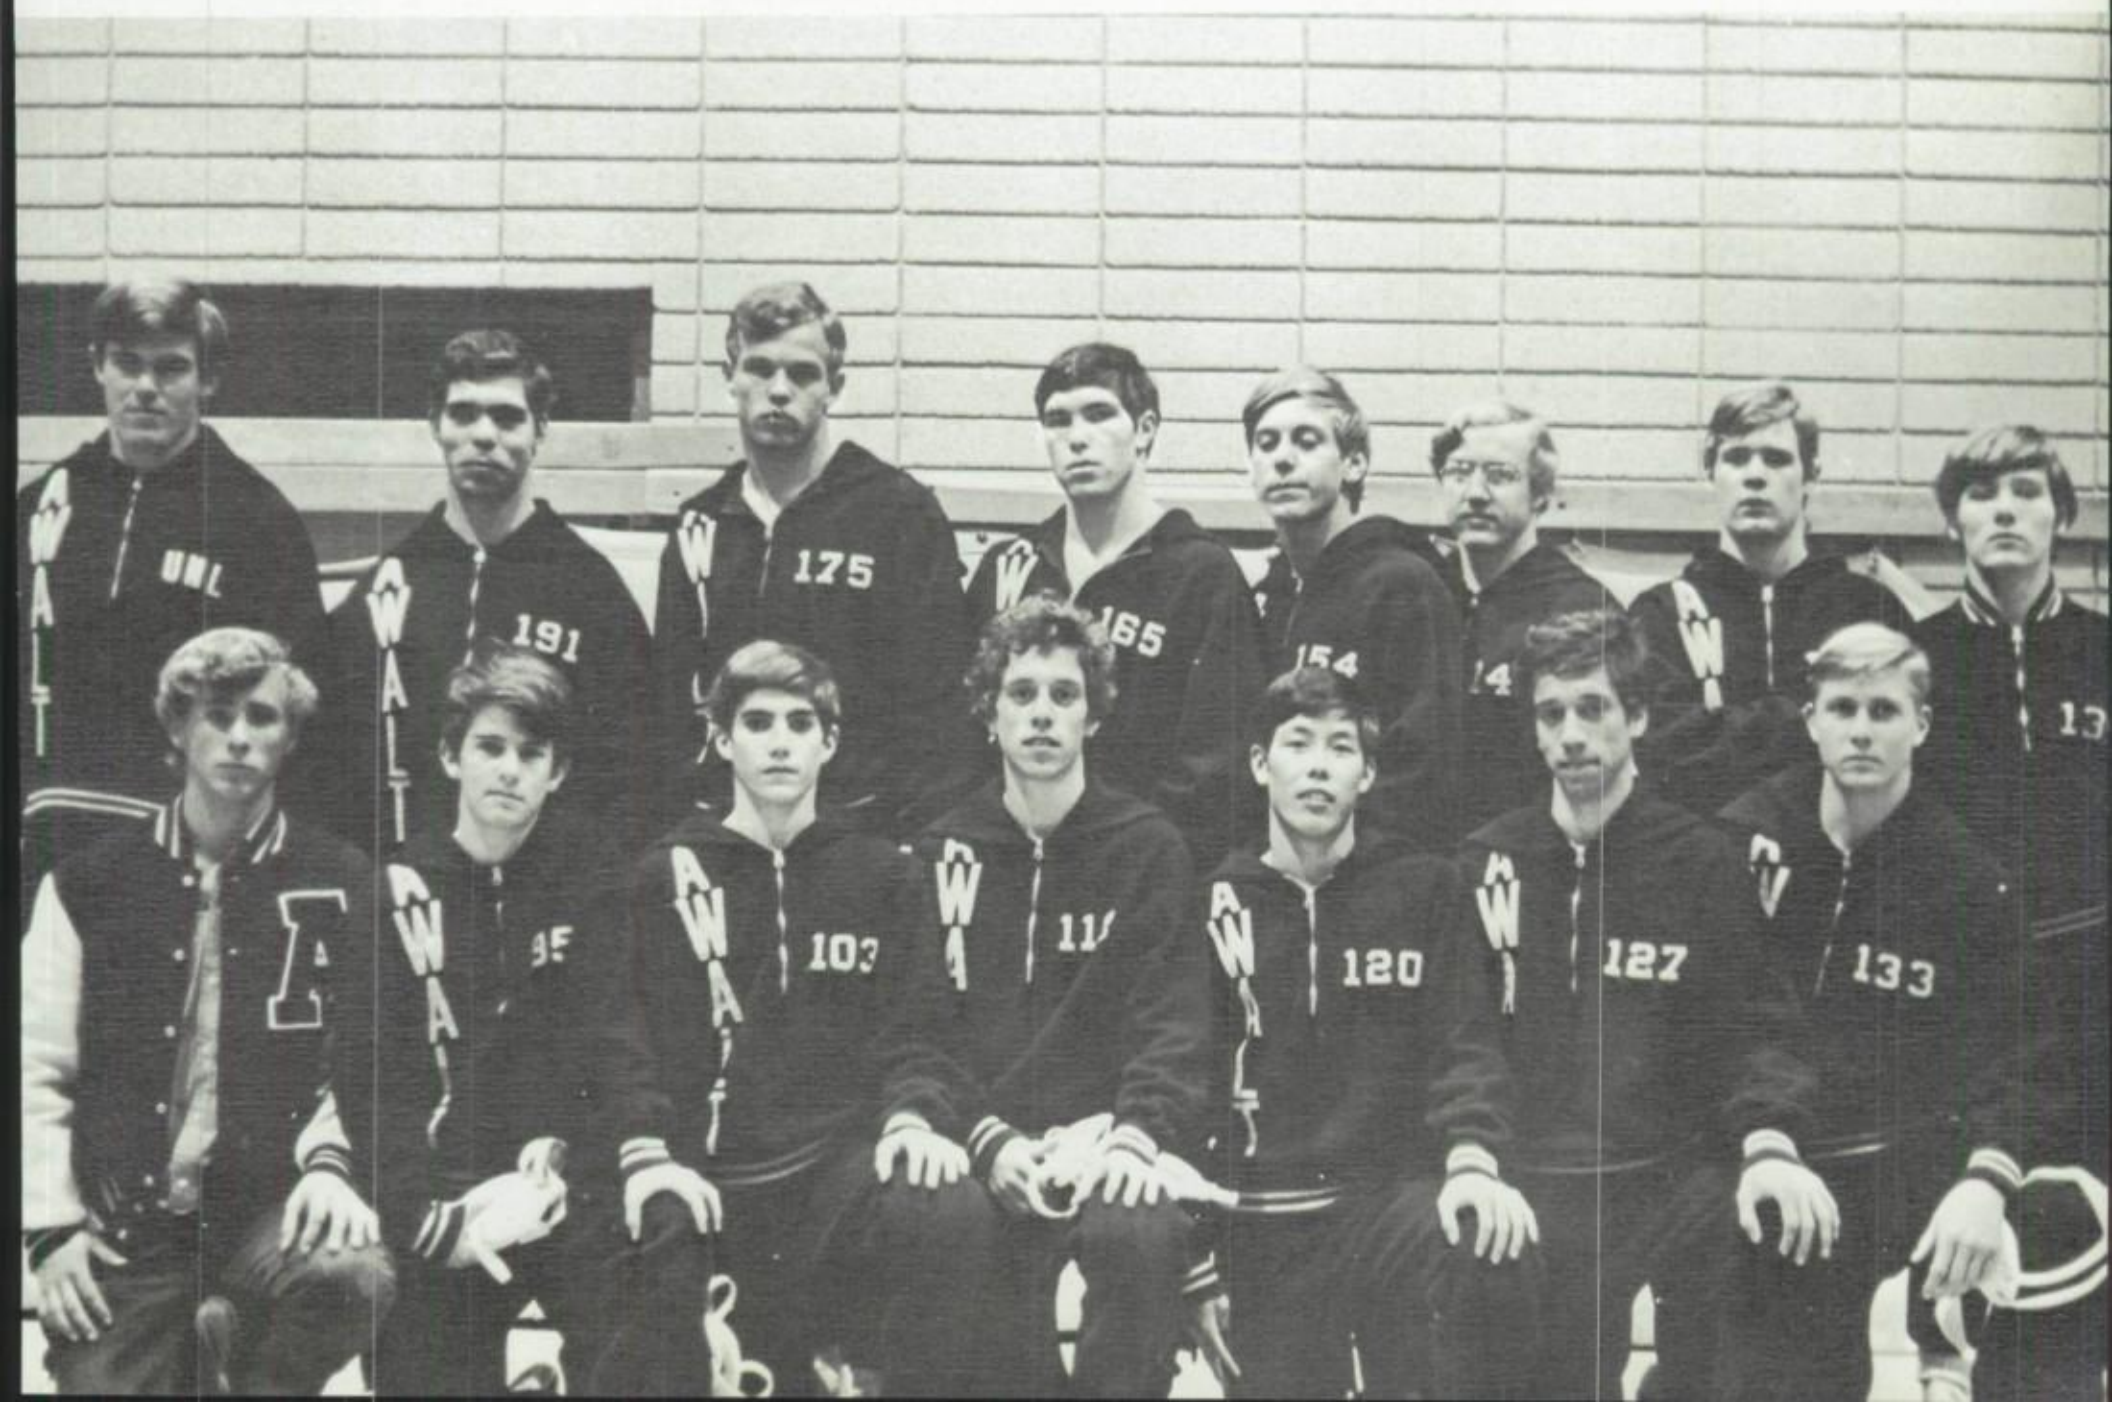

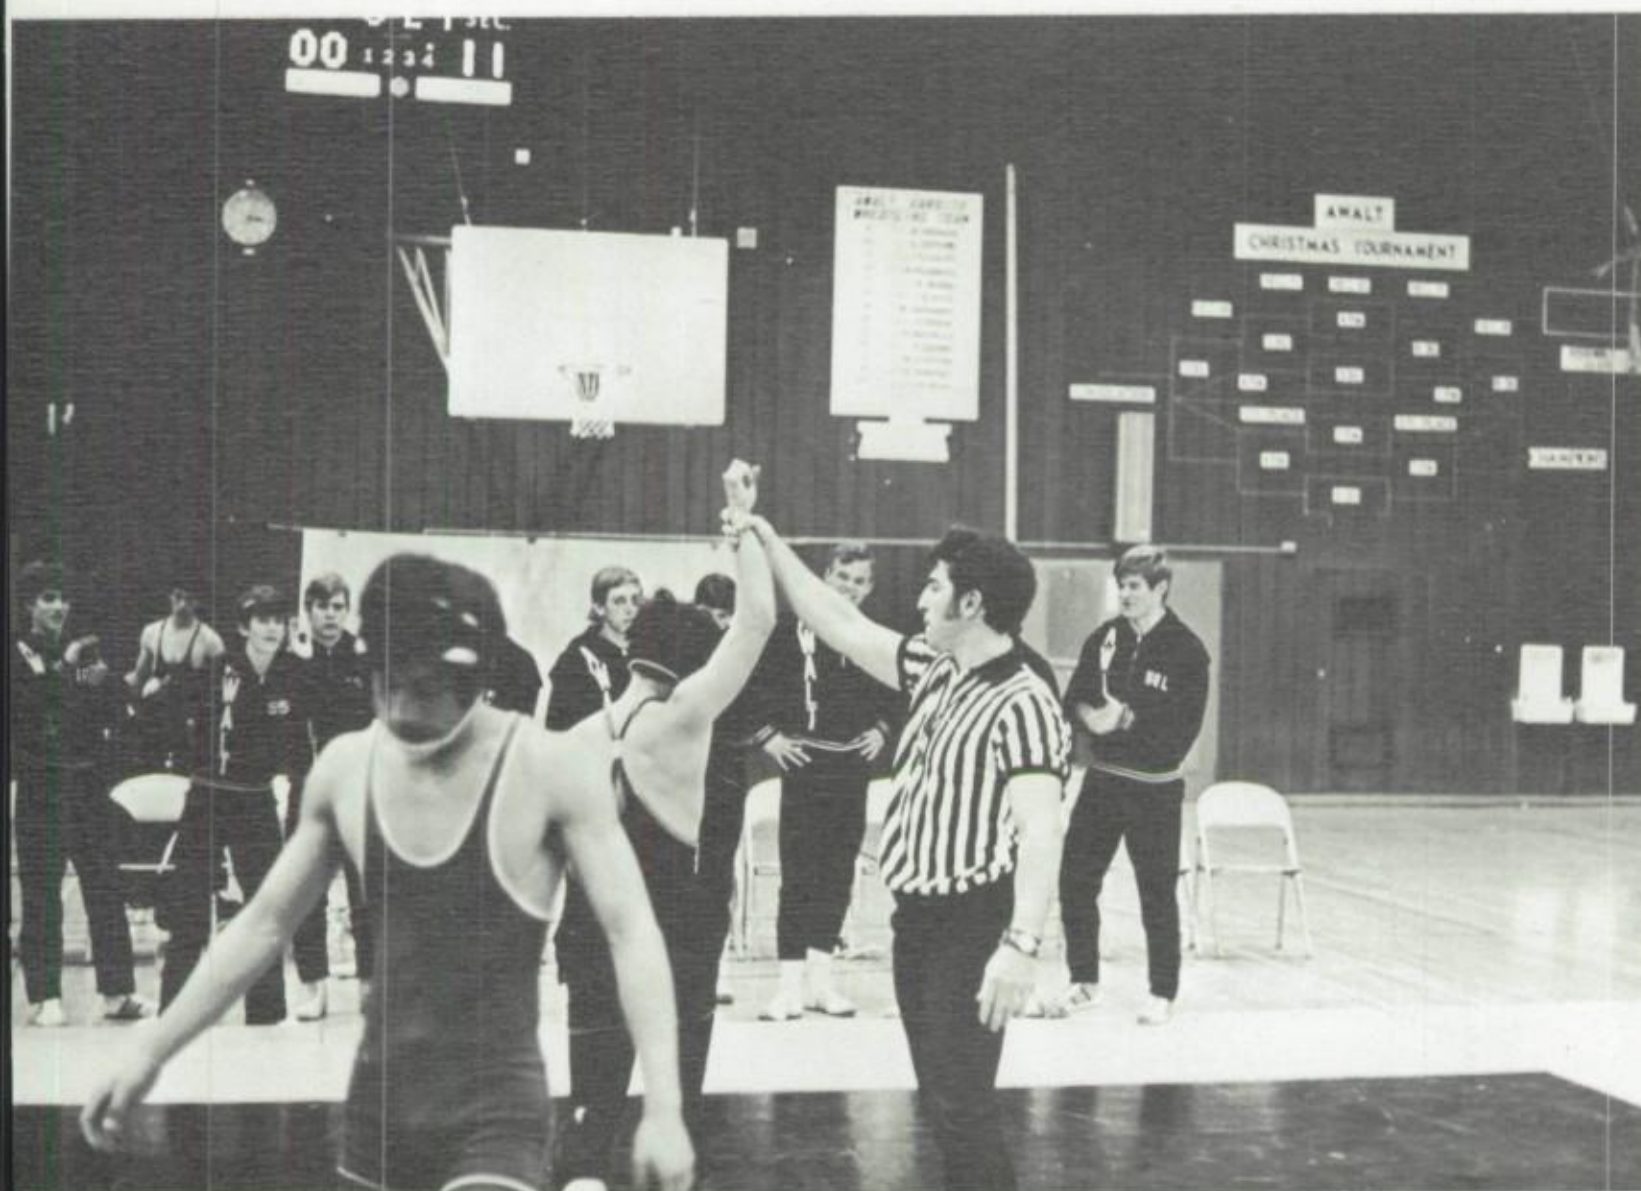

"This Varsity Wrestling Team was probably one of the most well balanced teams in Awalt's history," reports Coach Schiffman. Led by Marty Lydster, Steve Haas, Gordon Prieur, and Pete Calvo, the team finished up with a 10-3 league record.

The season was highlighted by the 25-17 victory over Los Altos. In Coach Schiffman's words, the single reason for team success was "hard work which led to overall team improvement."

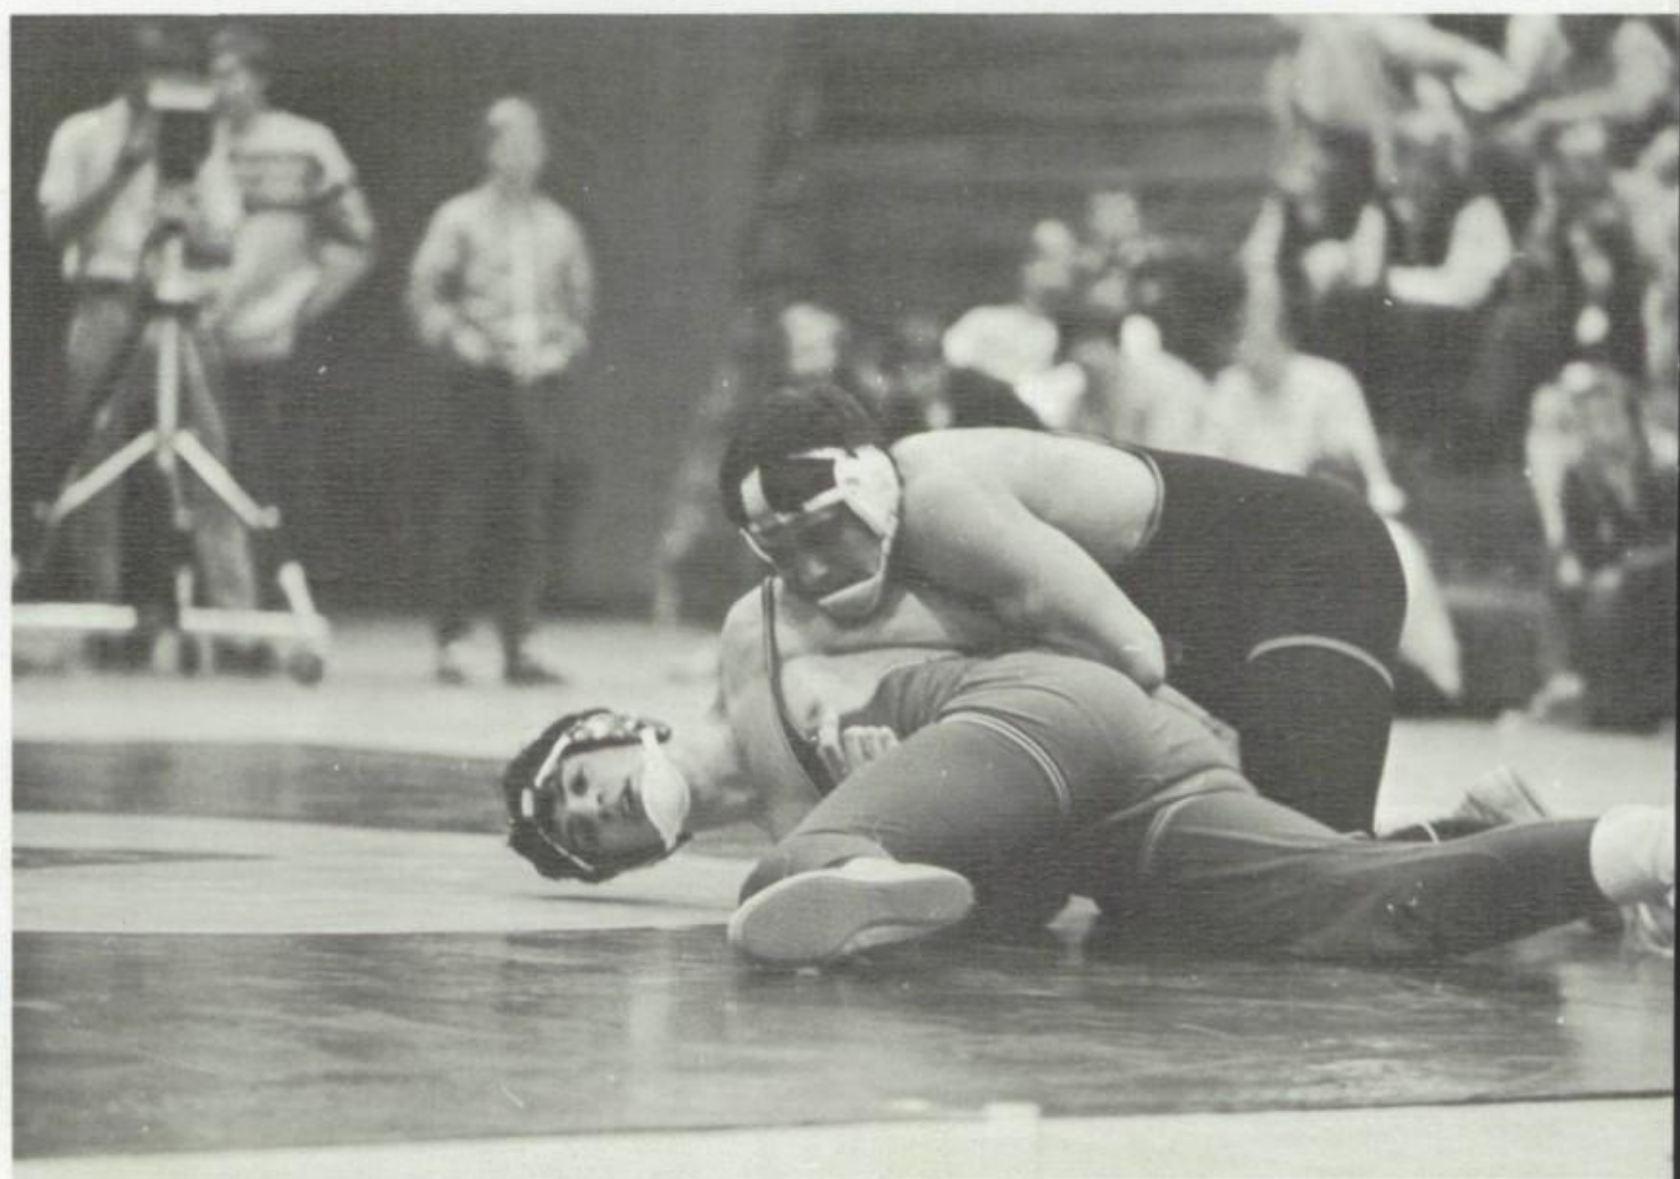

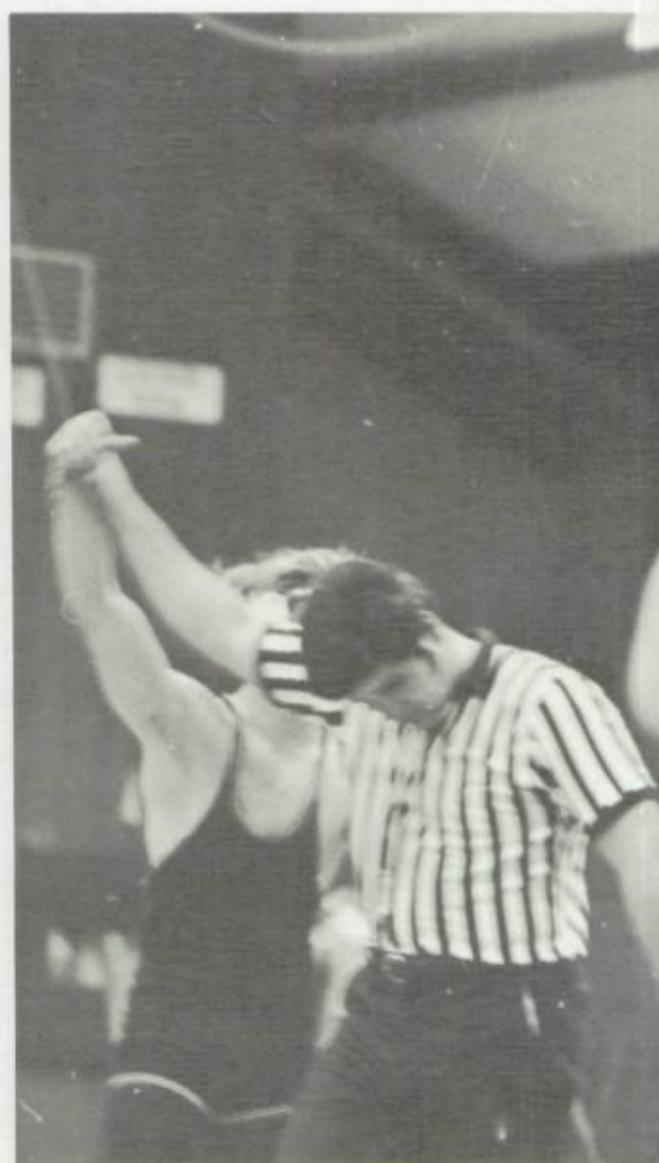

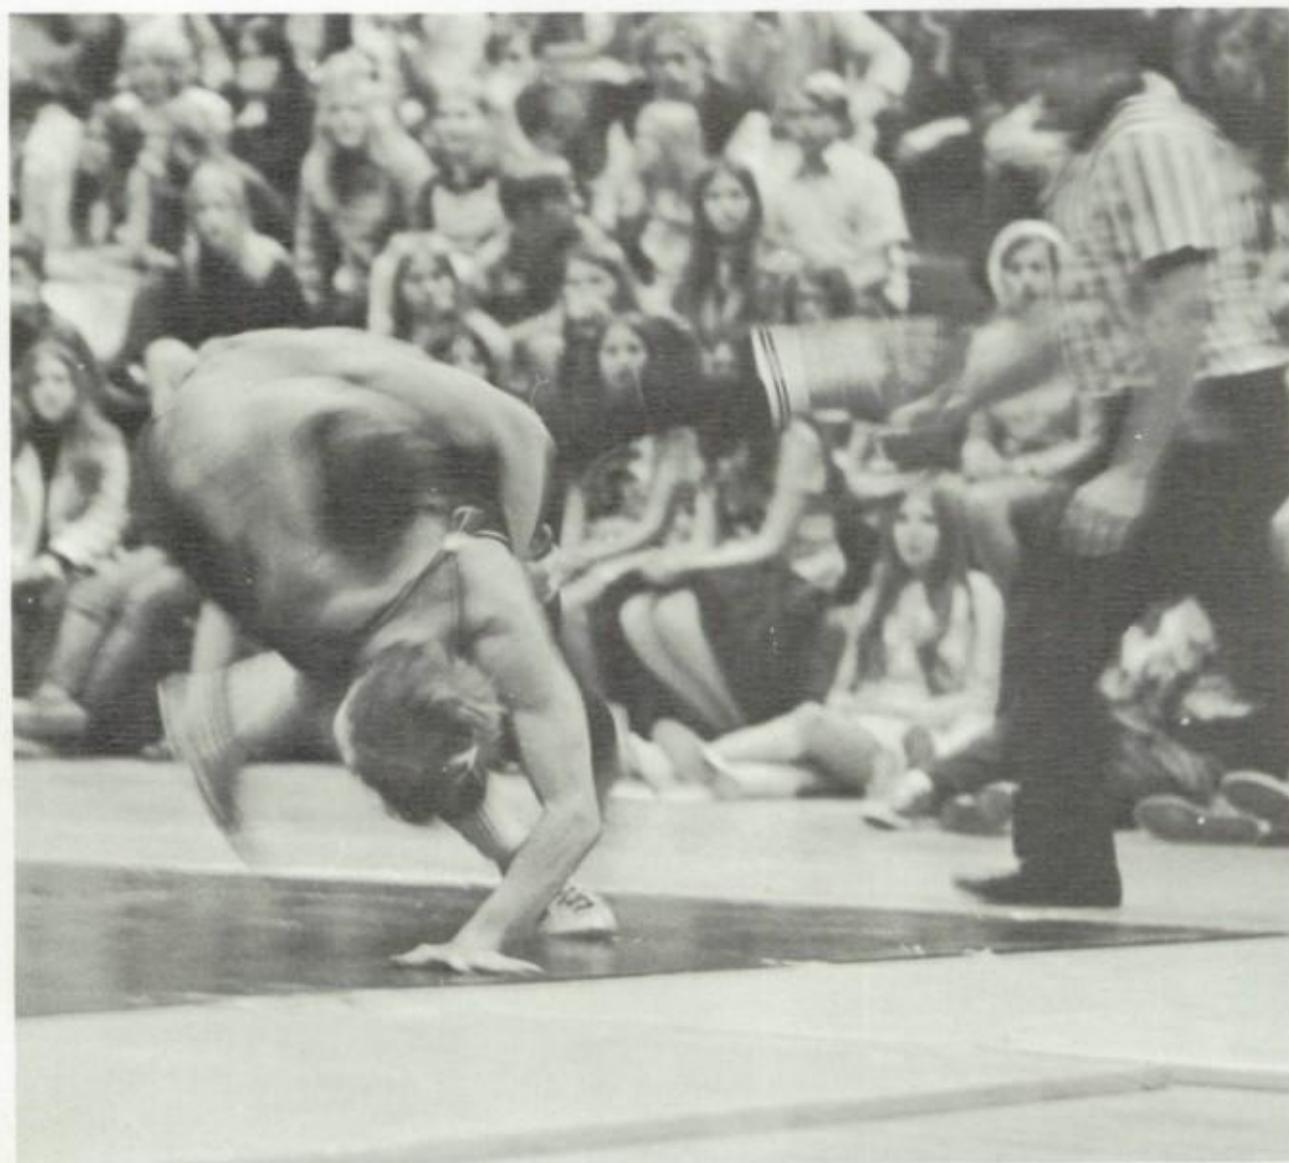

M. Antonoff, T. Calvo, C. Daubin, R. Fujimoto, S. Hass, M. Herman, S. Jeppson, G. Koos, M. Lydster, G. Manthey, P. Mechella, D. Moore, G. Prieur.

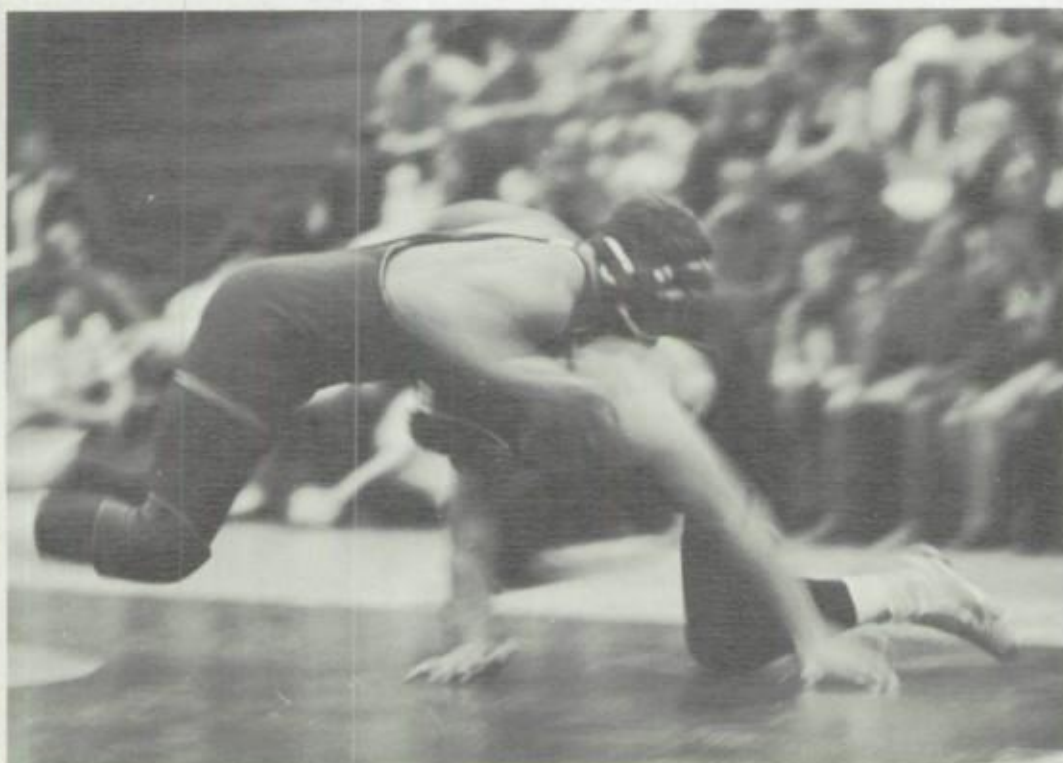

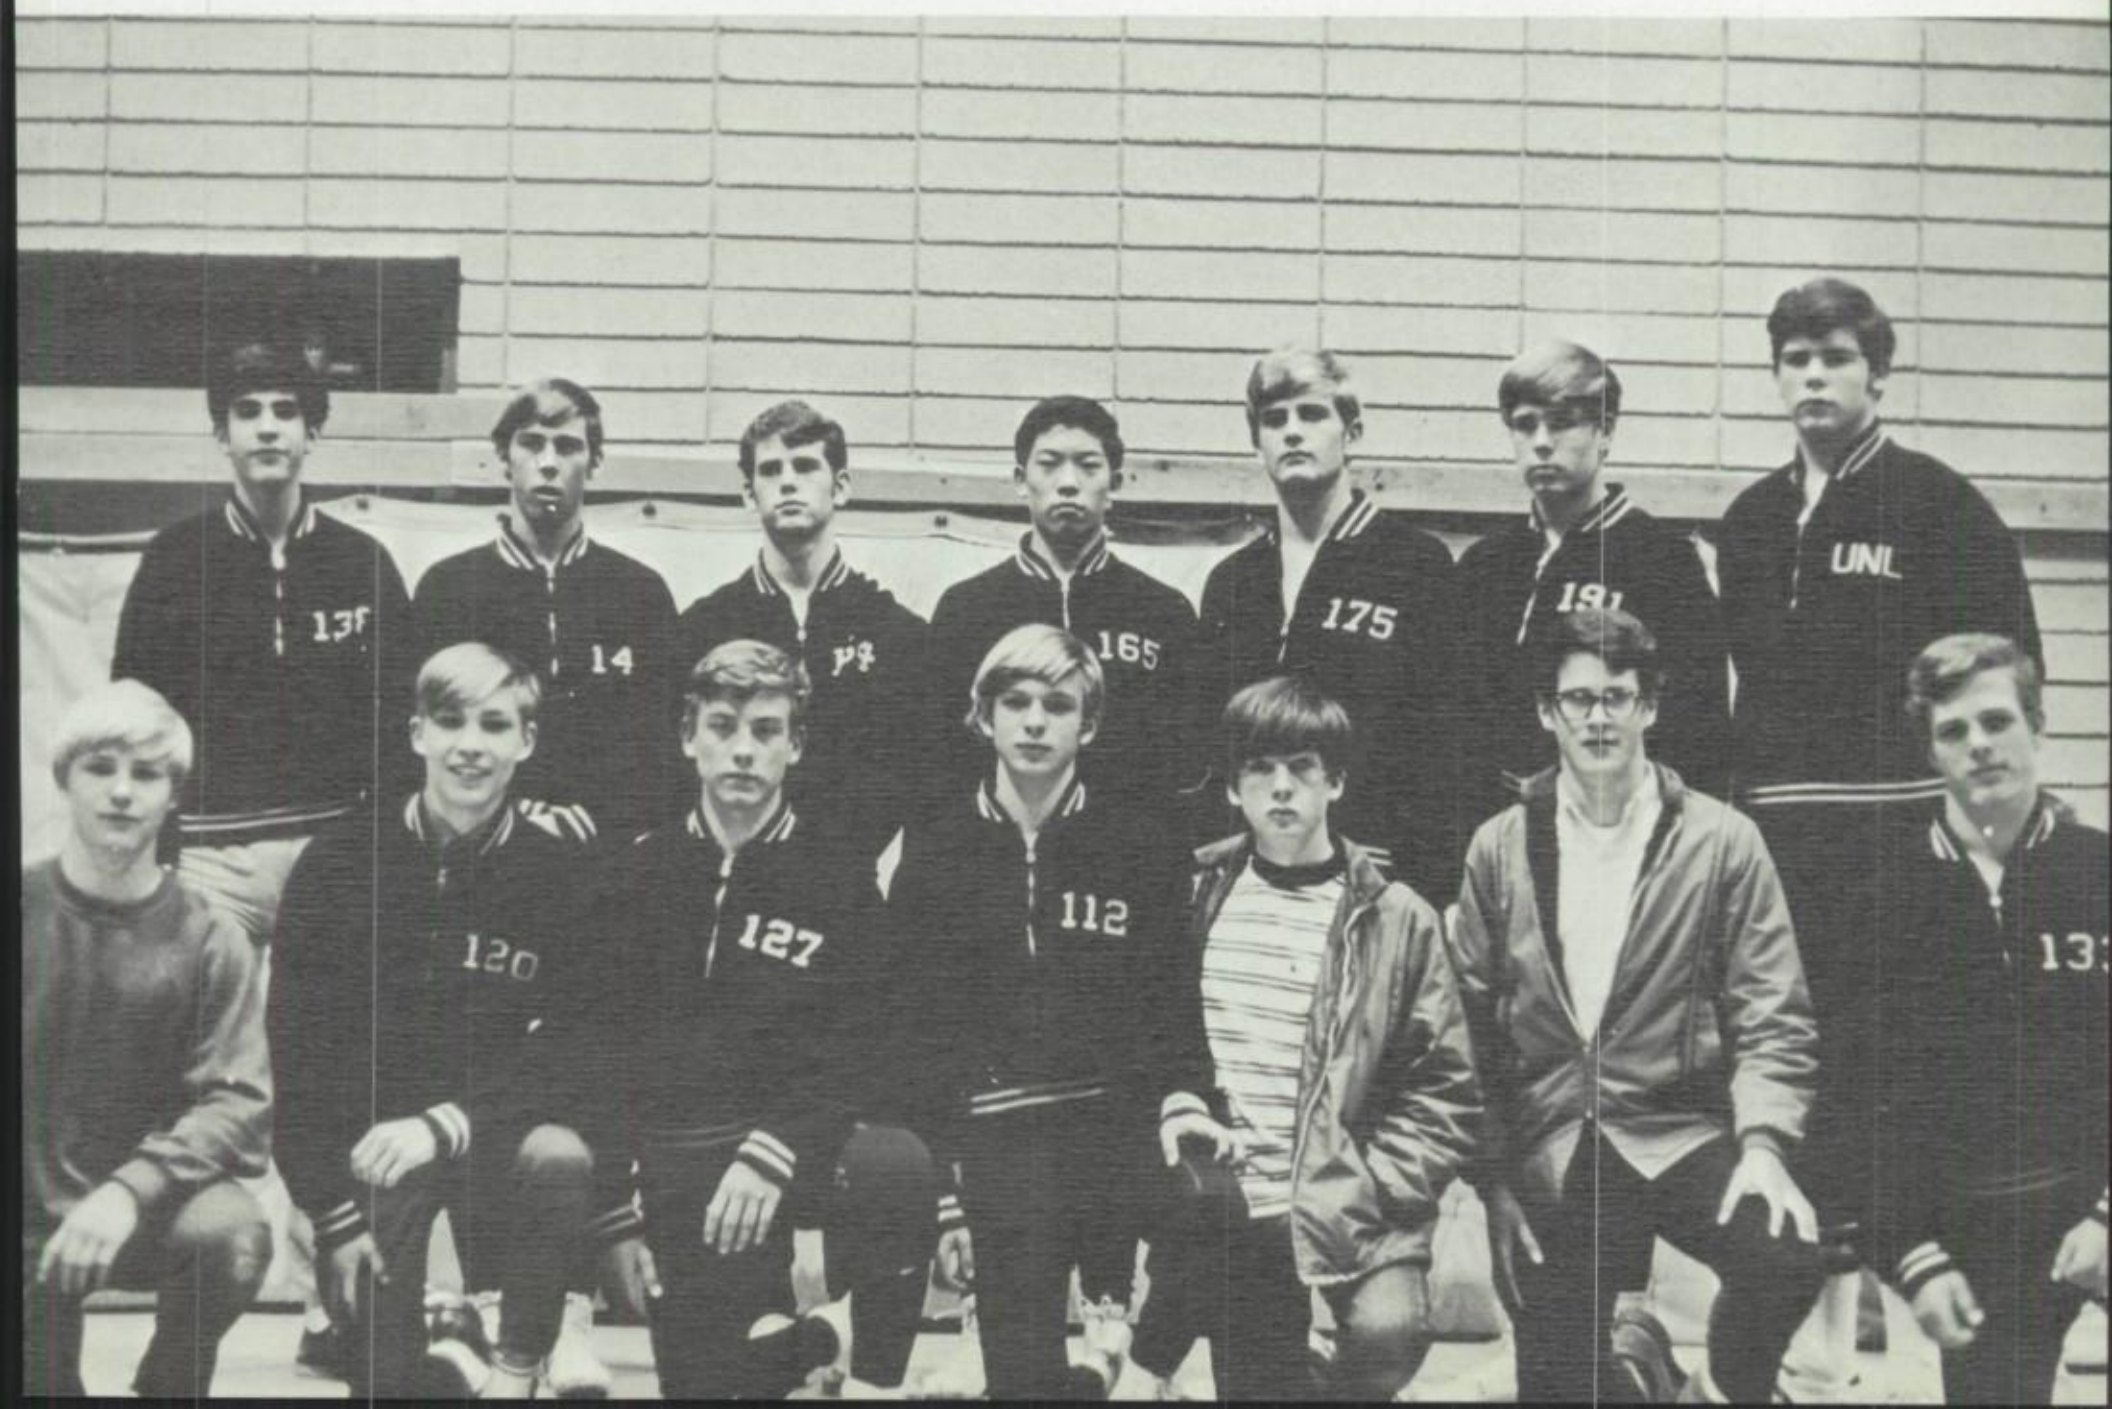

Prospects for strong wrestling teams in coming years are good. Coach Shiffman sees in his boys fantastic potential. This year's team consisted of: Eric Abrahamson, Rich Halliday, Greg Massone, Tom Hoffman, Linn Shoenborn, Dennis McGinn, and Steve Holm.

The season's highlight was the Mountain View meet where the Spartans edged out their opponents, 24-23.

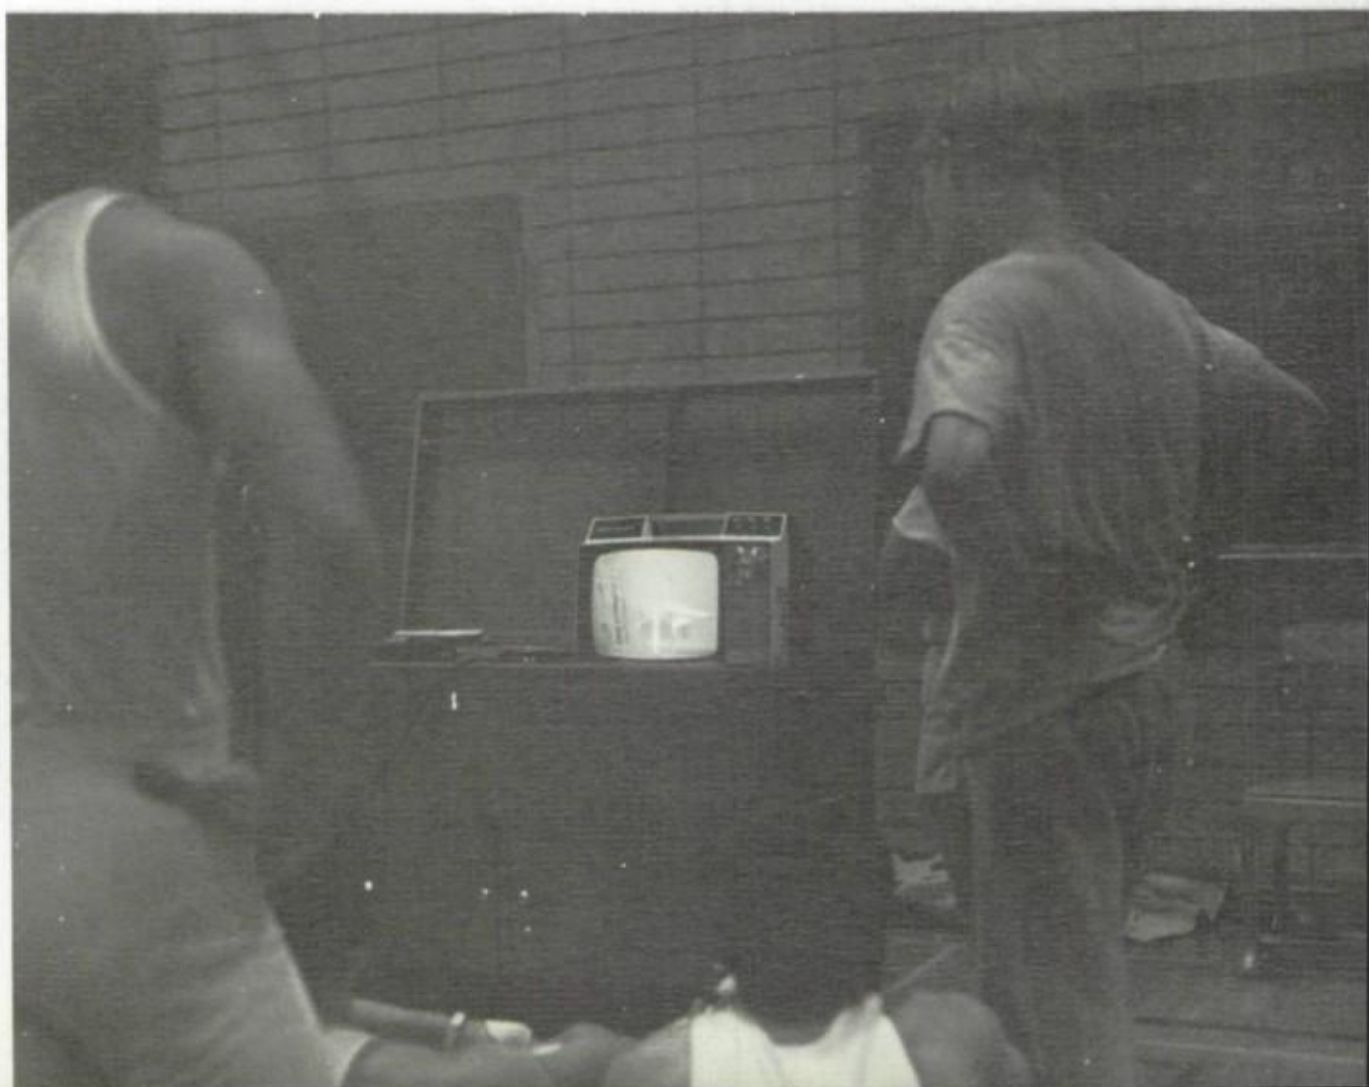

# SPARTAN GYMNASTS SETTLE DOWN TO WORK

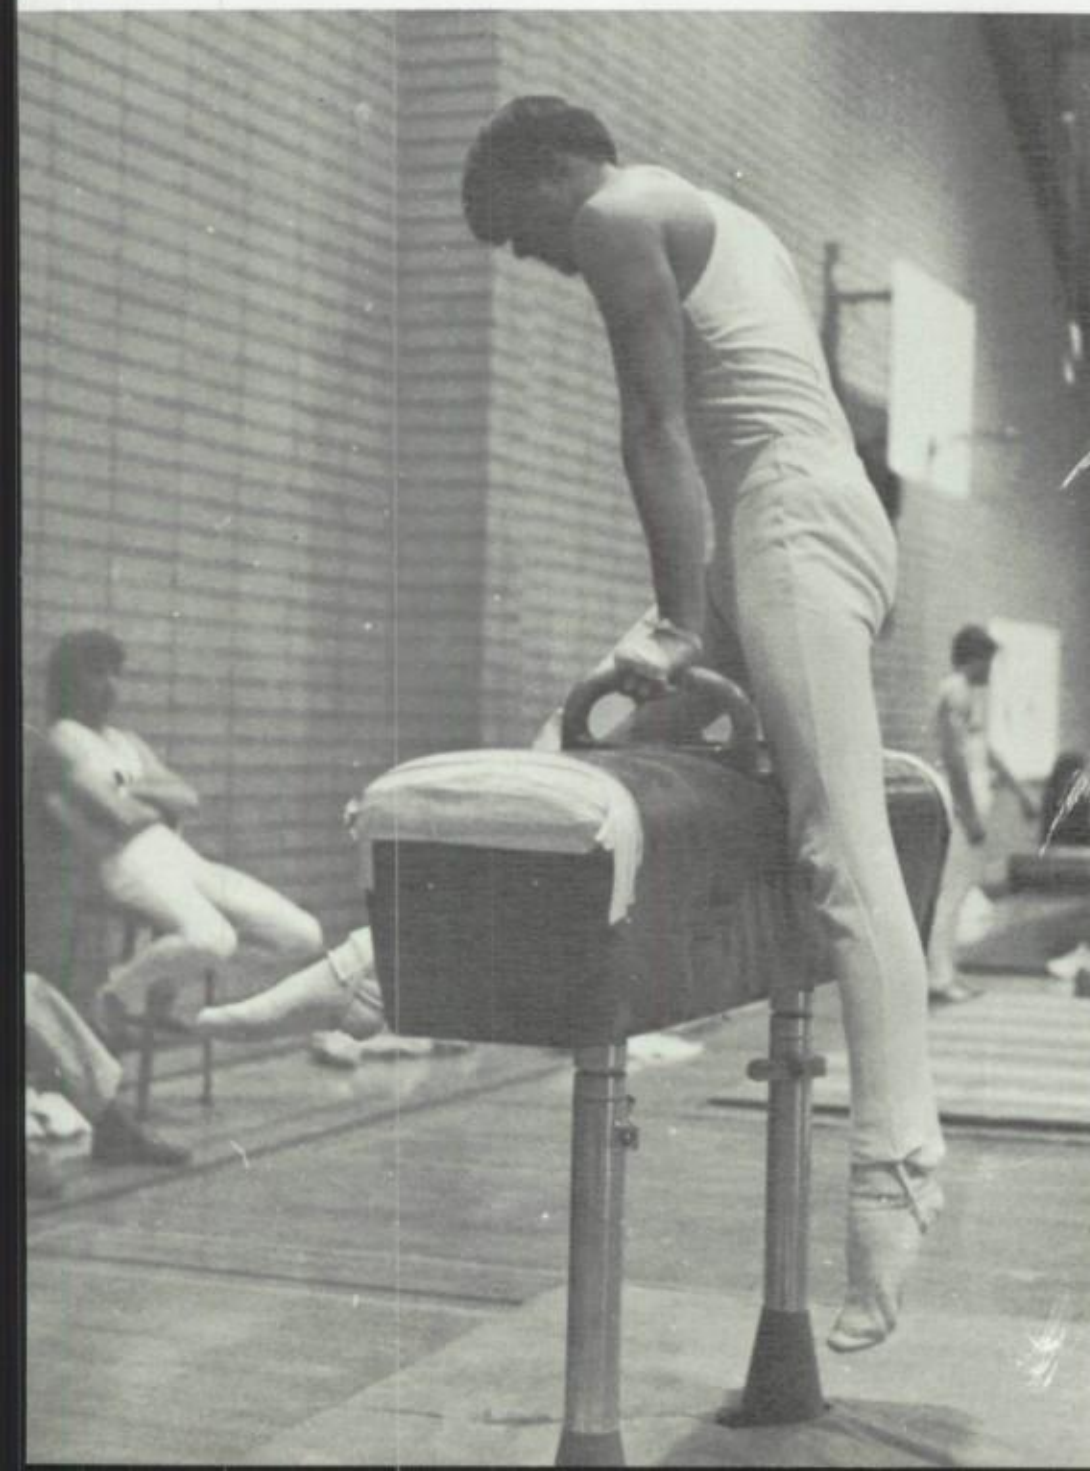

The use of the Video-Tape machine, a stiff dose of rigorous workouts, and a squad of dedicated young athletes all add up to a winning combination for the Spartan Gymnastics Team. Under the coaching of John Kibbie, the Awalt Gymnasts are put through their paces daily. Criticism is generally self-initiated when the boys see their performances played back on the Video-Tape monitor.

Jim Thomas and Linton Salmon are considered to be the team's strongest All Around men. This event requires a good showing of each man in each of the six separate events. Other strong team members are Pete Tiffany, John Tyburczy, Lee Roberts, Art Flynn, Greg Jones, Dean Brooke, and Mike Langdon.

How should our boys do? The stiffest competition will come from Homestead but, the team has won its first two meets and Coach Kibbie admits somewhat cautiously, "We stand a good chance of being in the League finals."

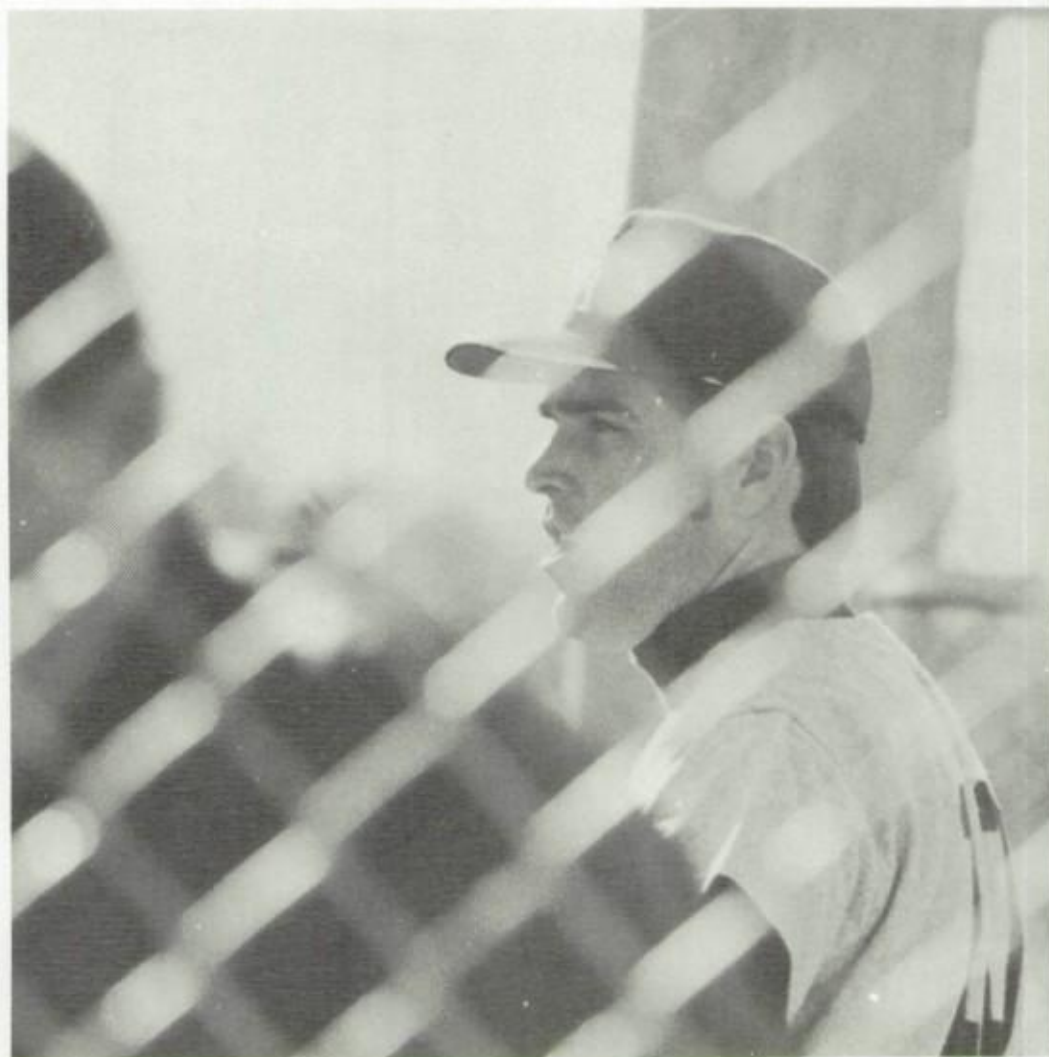

# SPARTANS SLUG FOR SUCCESSFUL SEASON

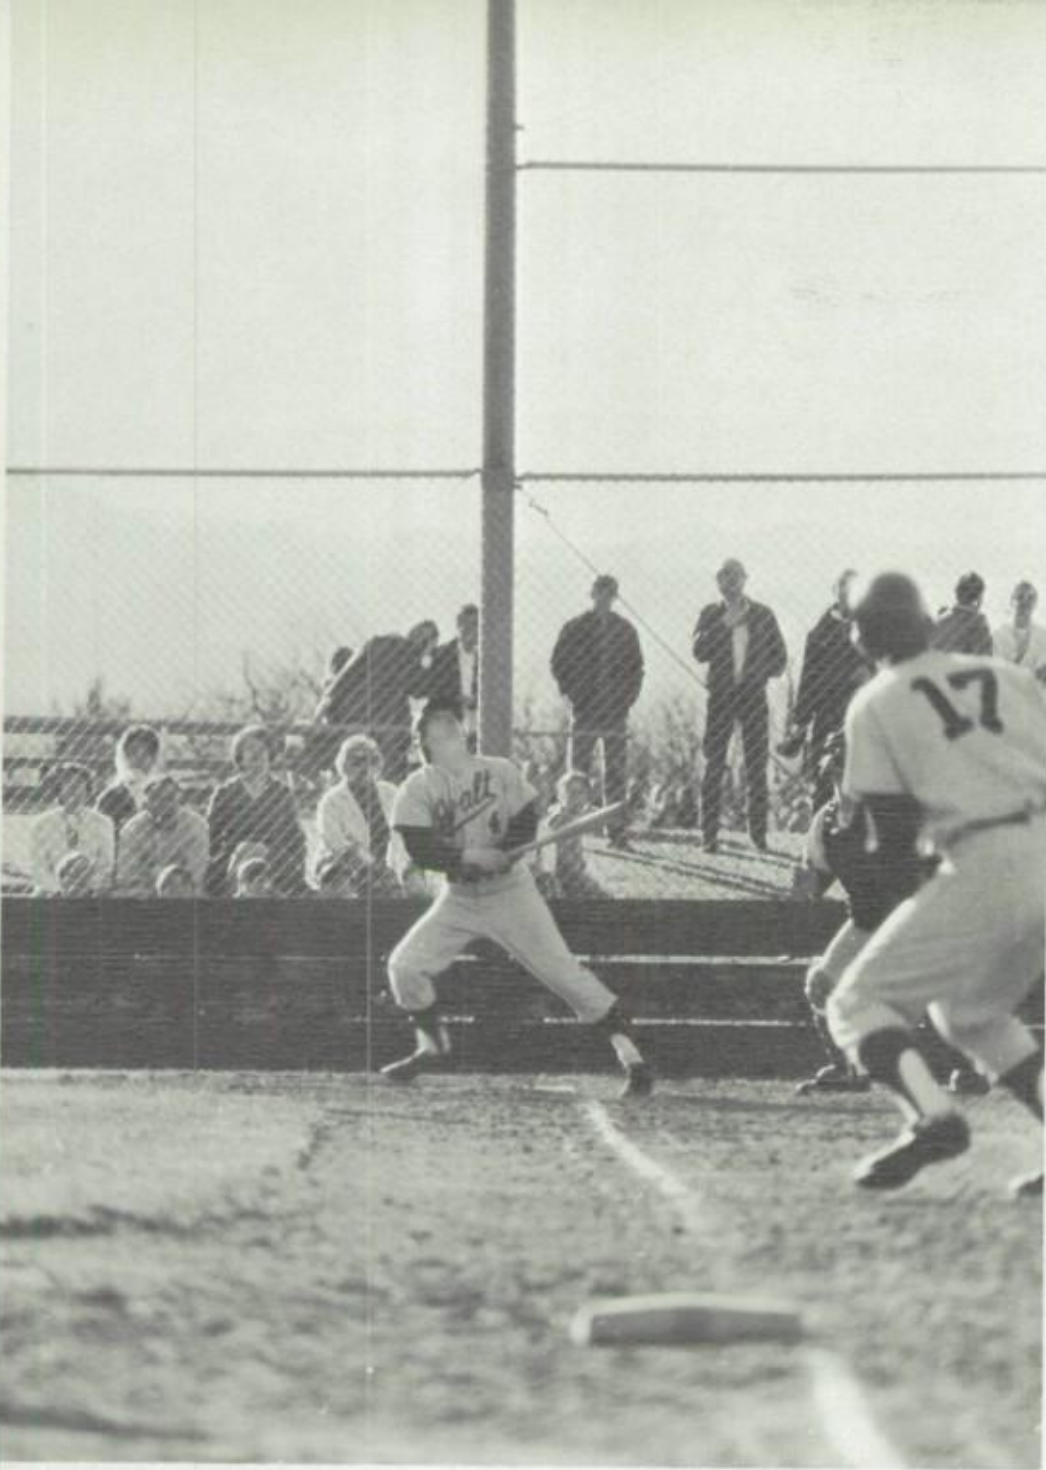

The Spartan Junior Varsity Baseball team faces a slate of stiff competition this year. All schools in the League are tough. Coach Jerry Gosland is optimistic, however. "We're looking forward to a successful year. The boys have tremendous attitudes and all give 200%."

Kevin Cronin, Mike Luken, Doug Clawson, Steve Chaney, and Jim DeBusk are expected to do particularly well.

Ron Barreras, Steve Chaney, Doug Clawson, Kevin Cronin, Jim DeBusk, Jon Foruria, Craig Geyer, Jon Guyett, Scott Harding, Cliff Kull, Mike Luken, Jeff Munoz, Matt Perasic, Barry Thomas, Charles Wyatt.

# CROSS COUNTRY CHAMPS

## Cross Country

1970 has been the most successful cross country season in Awalt's history. Our Varsity won the league championship and placed five runners on the S.C.V.A.L. All league team: Dave Chamness, Larry Chamness, Rick Hart, Chris Kane, and Tom Verrette.

The Varsity ended up the season as the Central Coast Section's number four team, possibly the strongest section in the country. Dave was selected to the All Northern California Cross Country Team. Larry and Rick were selected to the second teams, and Chris and Tom both received honorable mentions.

The Junior Varsity was not to be outdone. They, like the Varsity were league champs as well as the third best Junior Varsity team in the section by the end of the season.

The Freshman Team placed fourth in the league finals and placed two of it's runner on the all league freshman team. They were Joe Schumaker, and Paul Mayer.

Although we didn't run a sophomore team, Neil Bouchet was selected to the All-League Sophomore Team.

# BRIGHT PATHS SEEN FOR AWALT TRACKMEN

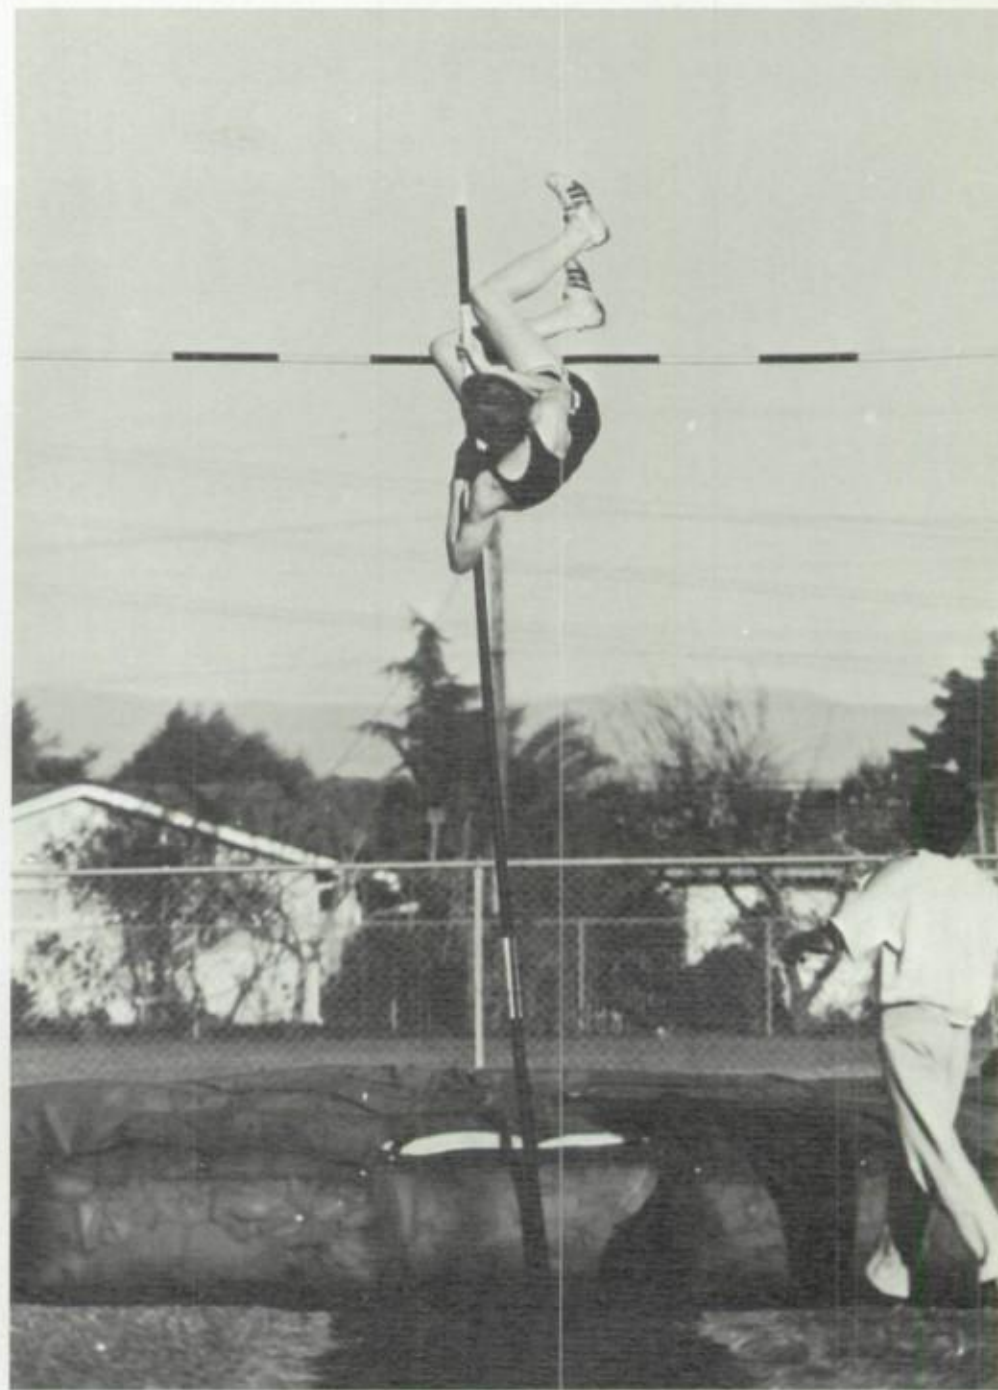

Coach Alex Paszkeicz has high hopes and big plans for his track team during the 1971 league season. Expectations include a league championship, a good showing at the state meet, and conceivable a national track record in any of the three relays. Any coach with a crew as talented as Paszkeicz's would have a good reason to be optimistic.

Aside from including the members of Awalt's Cross-Country Team (All League Champions), the track squad includes Ron Dodgen, Walt Pfandl, Hank Ramey, Dan Levien, Bill Klamm, Stan Crider, Steve Fowler, Greg Koos, and Marty Lydster.

Coupled with talented manpower is an experienced coaching team led by Paszkeicz. Coaches Bonanno, Mori, Fogg, Adamo, and Humpel will train and direct various groups within the squad.

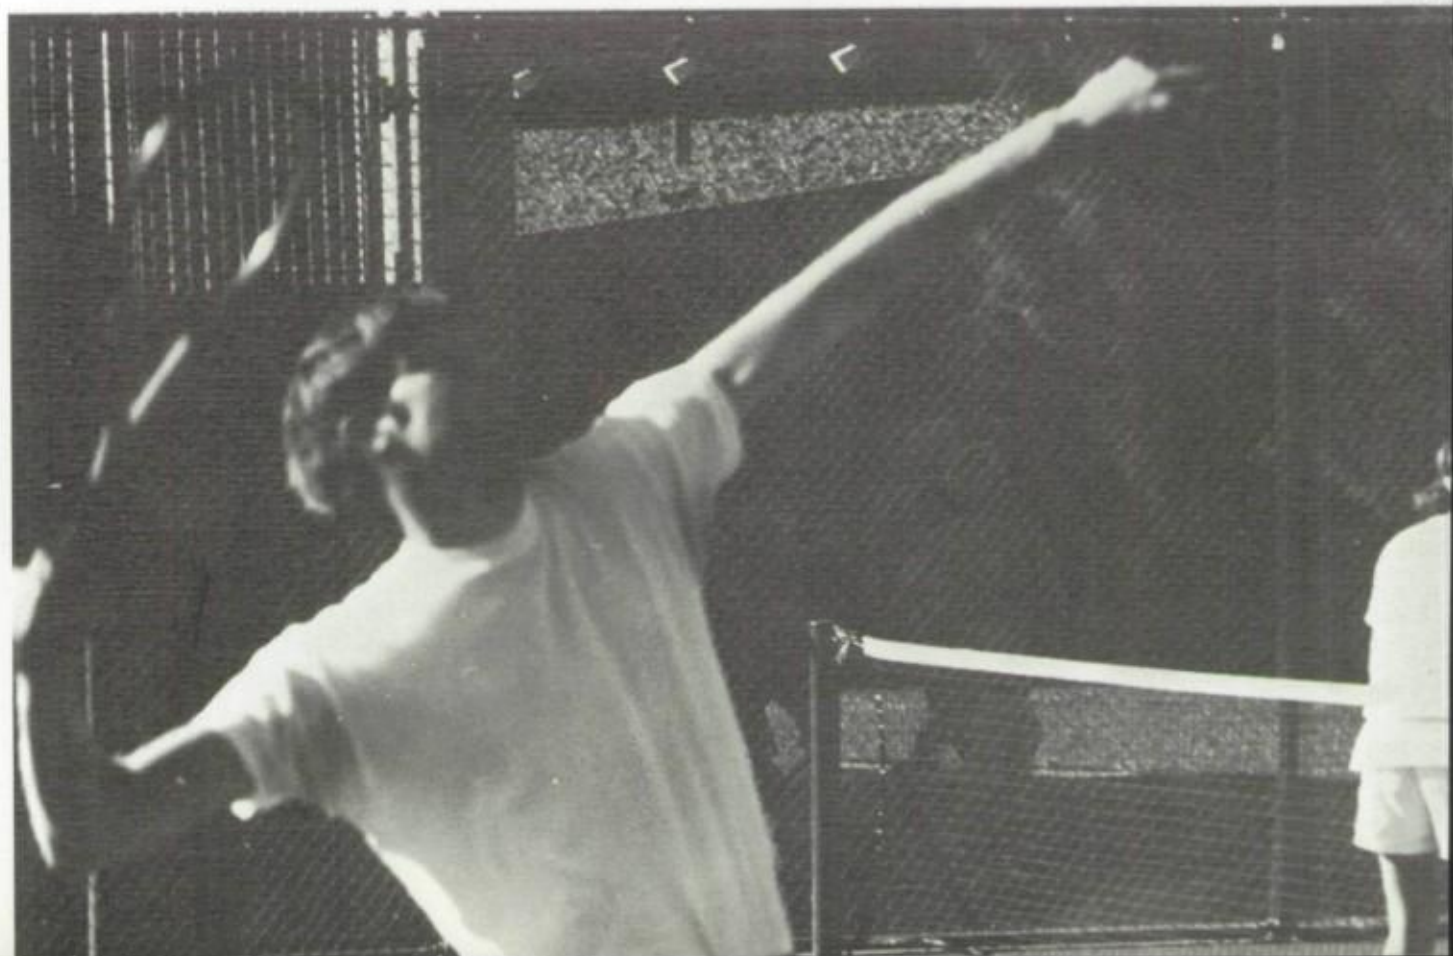

# NETMEN EYE LEAGUE FINALS

"We should be right near the top," replied Coach Robert Lowe, when asked about the prospects of success for his Varsity Tennis Team. The key to the Tennis Team's strength is its depth. The squad will consist of a strong group of last year's Junior Varsity players and three returning Varsity courtmen led by Greg Norris. Though high hopes rest on Norris in league competition, the entire team is expected to do well.

Other Varsity contestants are Benji Robins, John Mersan, Bob Wessel, Bruce Sommerville, and Tom Merchant. Competition in the Doubles category will be left up to Bob Thompson, Craig Elliott, Kent Russell, and Hans Boer.

The nine-man Junior Varsity Tennis team should do well this season. Coach Don Thompson reports that four of his players are returning athletes and that the Freshmen who complement his squad all show promise. League competition will be stiff, however. Fremont, Los Altos, and Homestead will be the most formidable opponents on the Spartan calendar. In spite of this, there are good odds that the team will place in the top five and might even grab the number one spot in the S.C.V.A.L. standings.

# SPARTANS TEE OFF

"A system of continual intra-squad competition provides great incentive," reports Varsity Golf Coach Tim Young. Each team member in the top five may be challenged by another for his spot. If the challenger is successful, he is moved into the top five and thereby allowed to compete in inter-school matches.

The fifteen-member Team has depth and talent. Prospects are good for one the top three slots in League standings. Among the strong players is Senior Don Clark who shoots consistently in the mid-70's. Kerry Andrews, Ken McCarthy, and Jerry Knoll are all doing well early in the season and each shows promise for continued improvement.

K. Andrews, D. Boerner, D. Clark, S. Howell, G. Knoll, J. Maus, K. McCarthy, J. Palazzari, C. Perlov, S. Porter, D. Poppen, G. Prieur, D. Strickland, G. Woltzen.

# RALLY COMMITTEE

This year the Rally Committee has contributed greatly to the success of teams. Its spirit and willingness to work long hours set the tempo for our victorious teams.

The Rally Committee sacrificed much time and effort for the purpose of raising team morale and generally promoting school spirit. The Rally Committee deserves the thanks of the entire Student Body.

Varsity Cheer Leaders: Sharon Adamowicz, Liz Frost, Cindy Jones, Patti McGoldrick, Karen Pilcher. Junior Varsity: Debbie Chaney, Beth Kane, Anne McGoldrick, Pam Ritchey.

# IT'S CHICAGO! IT'S SANTANA! IT'S BLOOD SWEAT AND TEARS! NO, IT'S THE AWALT PEP BAND!

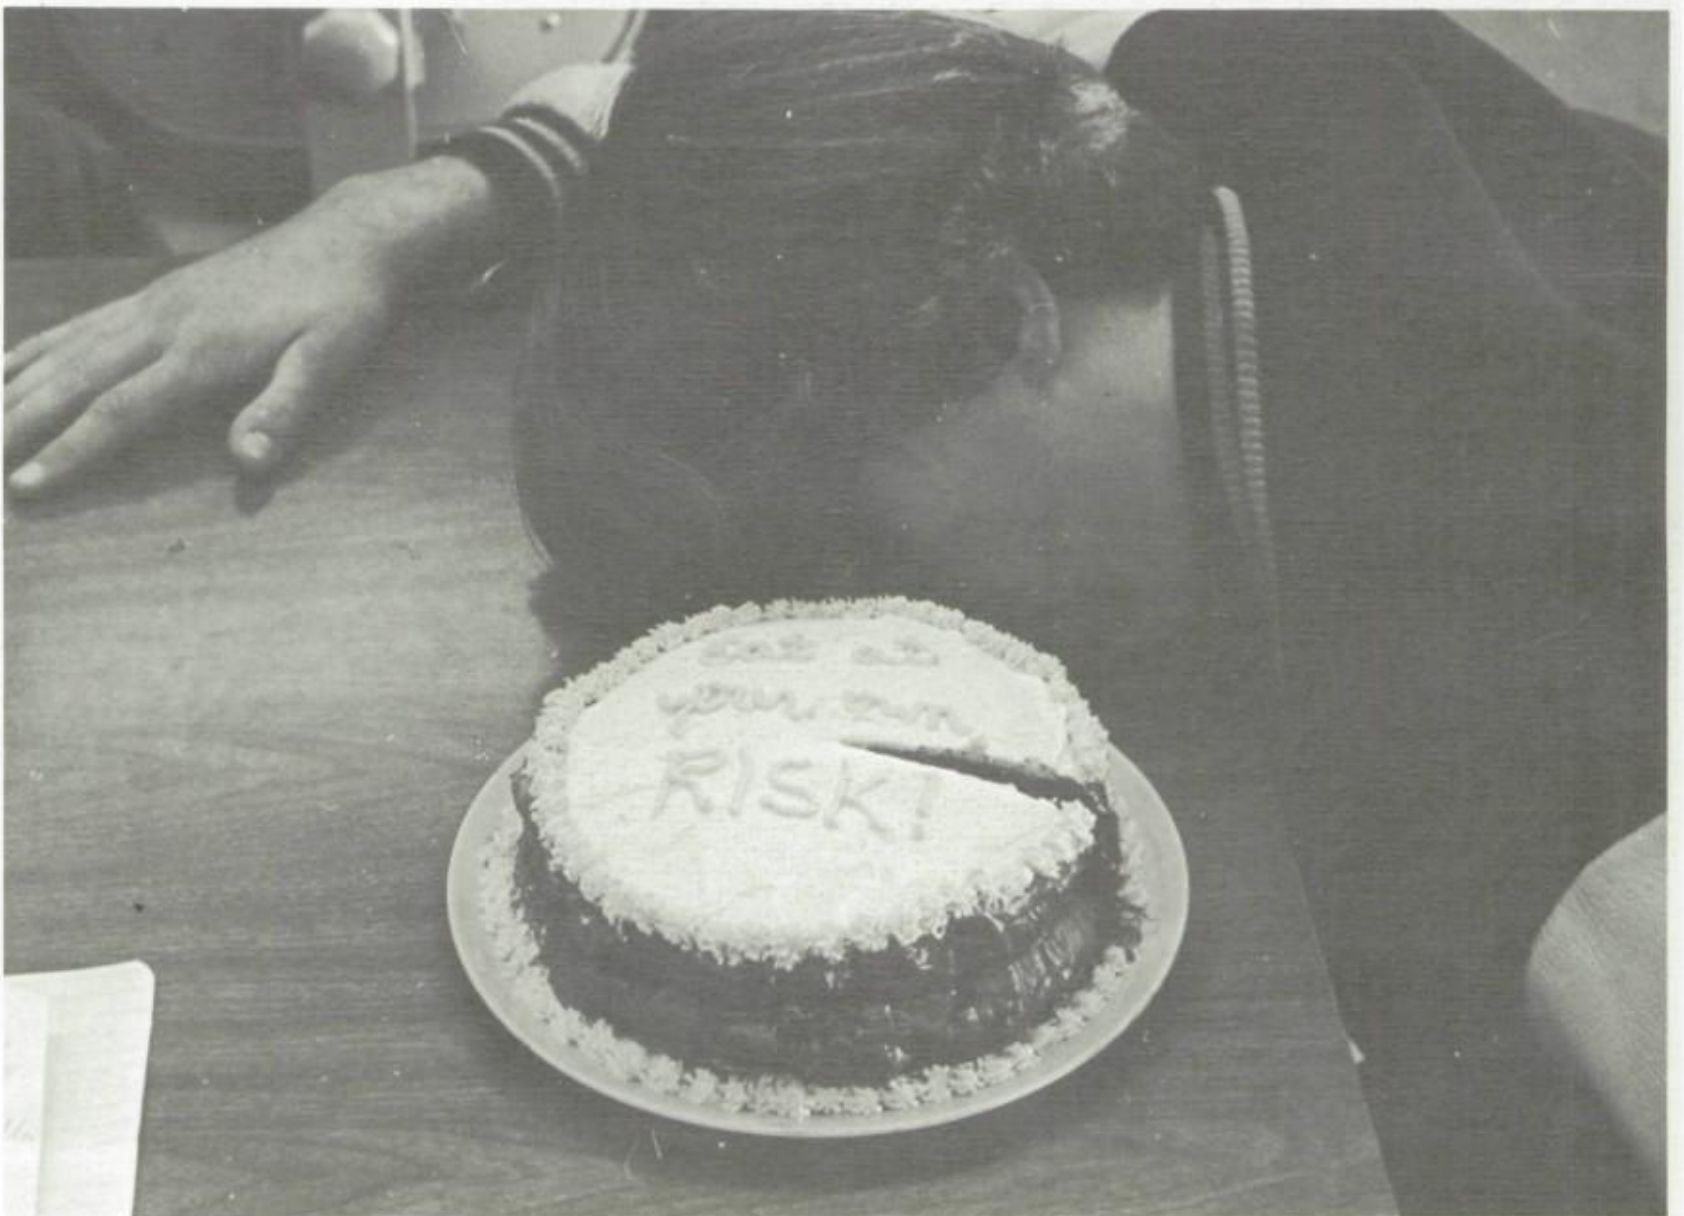

The Pep Band is a very important part of Awalt. They do a wonderful job in promoting school spirit by playing at rallies, marching through the school on game days with the rally committee, serenading players, and by playing at Junior Varsity games and other school functions. The enthusiasm they inspire by their faithful attendance at games and rallies can be considered to be a major factor in the development of the enormous school spirit at Awalt.

# SENIORS GATHER FLOWERS FOR ALGERNON

The senior play, "Flowers for Algernon", a sad and touching story, moved both the audience and the actors. Beign a contemporary play, it was challenging for the entire cast and crew.

Director, Mrs. Georgette Cummins surpassed all obstacles including thirty-six scene changes. Special thanks was given to a hospital bed and a barber chair that was greatly appreciated. Dan Tiffany led the cast with an outstanding performance as "Charley".

# C.S.F. AND A.S.F. SCHOLARSHIP AND TRAVEL

The American Field Service (A. F. S.) club is designed primarily to raise money for this year's students under the foreign exchange scholarship program.

During the course of the year such events as the Flea Market, Art Exposition, selling of See's suckers, book sales, bake sales and other successful occasions have made up a large percentage of the club's earnings.

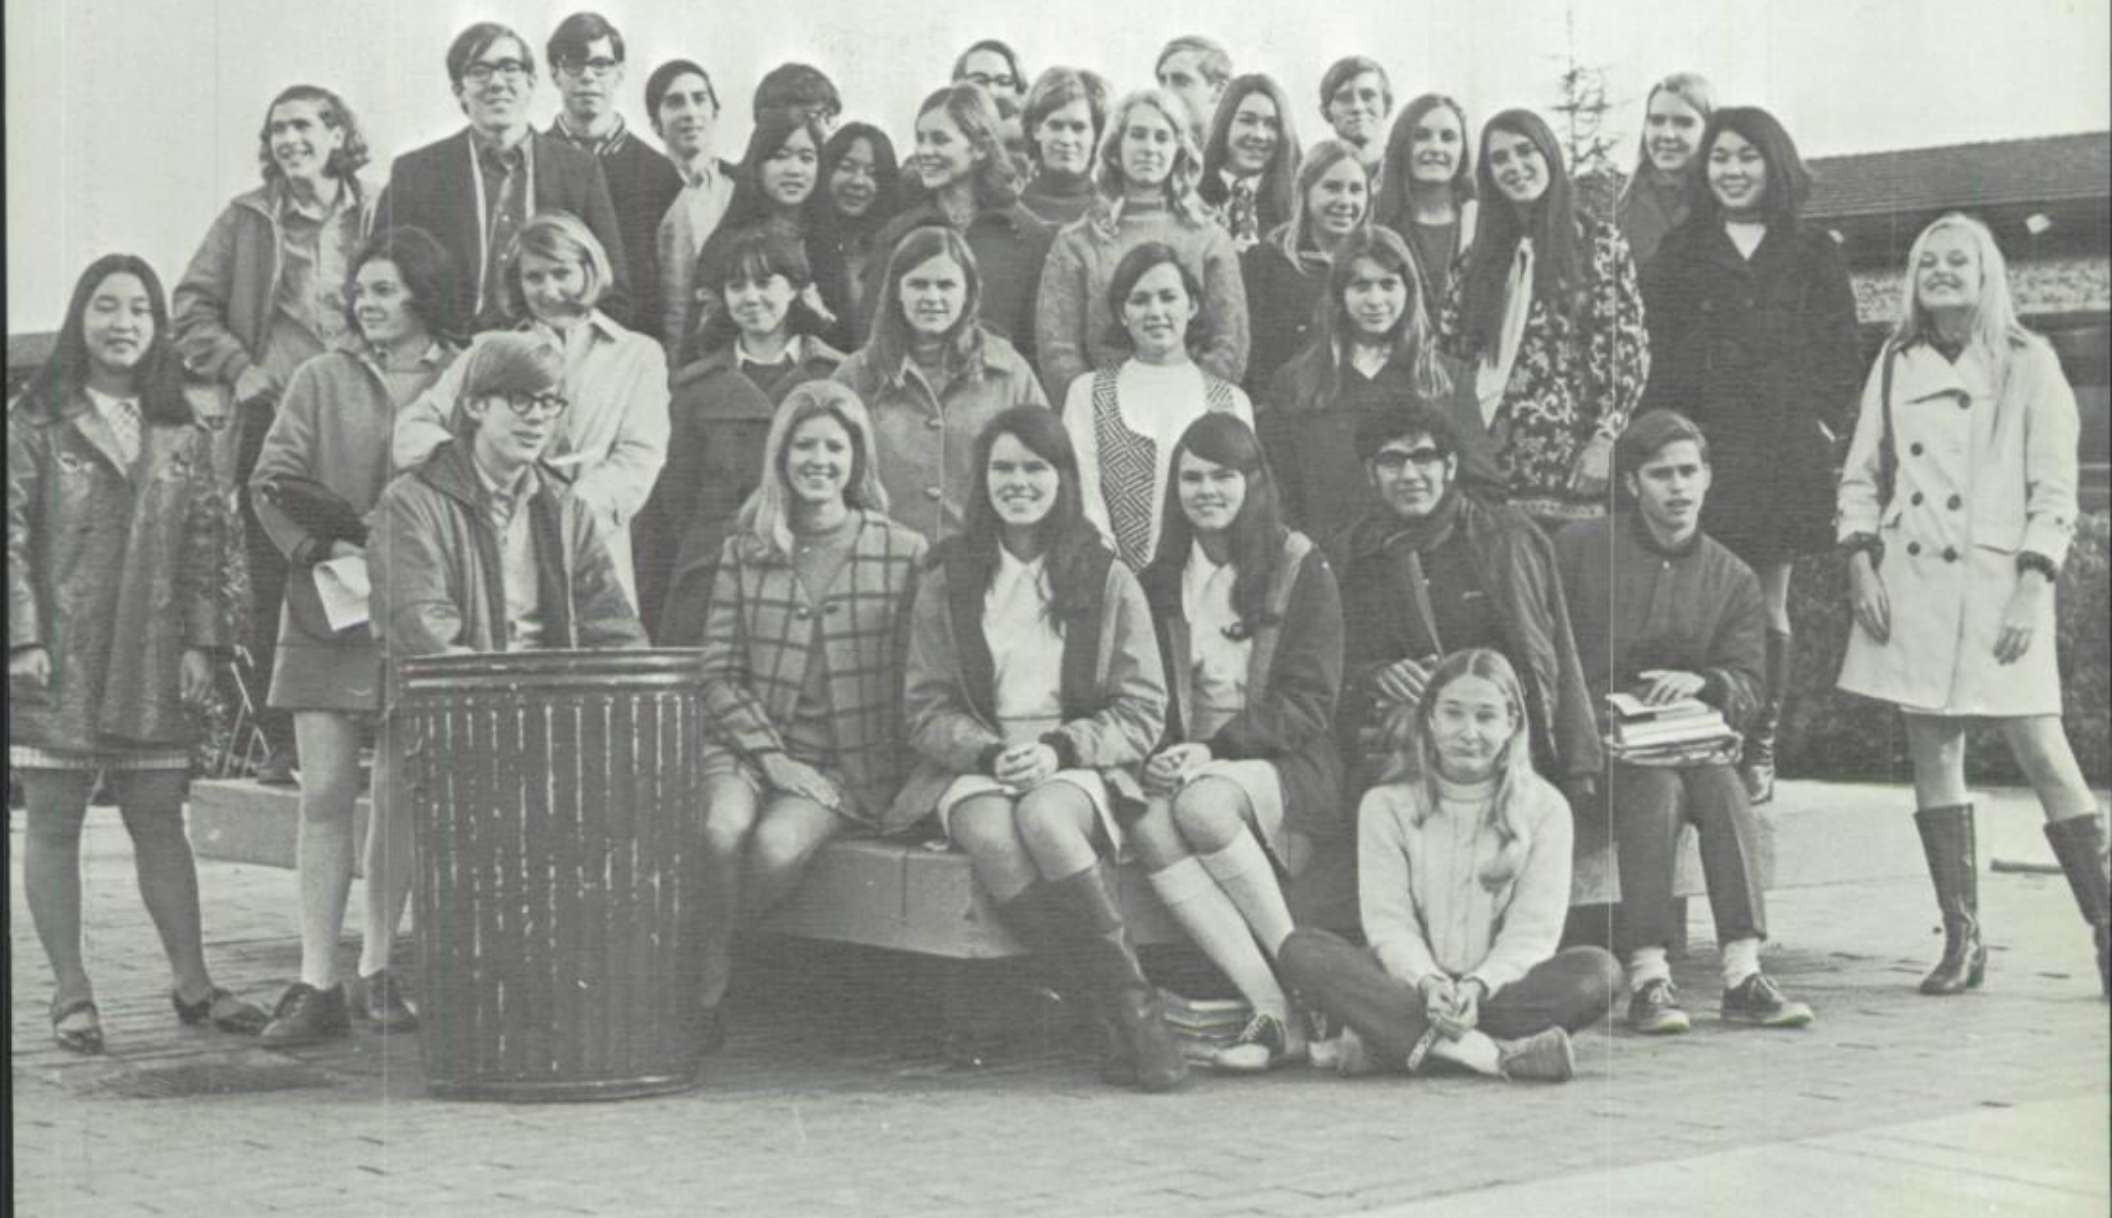

Although the club members worked hard, they did have time to have welcoming parties for the Indian exchange students, guest speakers from the Peace corps and foreign countries, and other enjoyable times.

Artemis Club is A Junior Auxiliary that volunteers time and effort for the benefit of the Childrens Health Council. They do such things as working at Country House, a restaurant run for charity purposes, selling carnations for Valentines

Day, selling popcorn balls and raising money in other activities. They also put on a party for mentally retarded children once a year.

Working to save our environment, the Ecology Club spent much time and many weekends on ecological and re-processing projects. Awalt students had a chance to involve themselves in the community by working hand in hand with "Ecology Action" to reprocess metal cans.

The Ecology Club expressed deep concern in local as well as world-wide conservation of natural resources. By starting here with weekly Friday afternoon campus clean-ups they began to contribute to their part of saving our environment.

# LANGUAGE CLUBS SPONSOR MARDI GRAS AND OKTOBERFEST.

## German Club Activities

The German club started off the year by taking a bus to the Pleasanton Oktoberfest. There was food and dancing and everyone had a good time. Then we had our own Oktoberfest. Everyone had fun planning and working on this event, and it was a big success. A week later, we had a dinner party at Frau Meckel's house, to eat all the leftover food. That was a real experience, trying to fit 45 people into a four room apartment!

Activities cooled down after the Oktoberfest. We had an ice-skating party in November with a party at the school afterwards.

During the second semester we went to the German Culture Center in San Francisco, and to dinner at Schroder's German Restaurant.

Awalt's mighty French Club was a great success this year. It achieved its main goal, which is not the promotion of "la culture francais," as believed by most people, but friendship. All members became good friends and had much fun together.

And what fun there was! There was a wild picnic at Frontier Village with all you could eat and all you could ride for free, courtesy of the club's meager treasury. The first major activity at school was the Halloween Penny Carnival, designed to give the youngsters a treat. It was a great success, with a seemingly unending line of kids waiting to tour the House of Horror.

Towards Christmas the Club played a very active part in the Santa Claus Exchange program. A three week bake sale earned enough money for

a huge spending spree to buy new toys for the needy people of Mountain View. The last major project of the French Club was their greatest: the Mardi Gras. Their third annual Mardi Gras was held in early March. Games, prizes and food were the trappings as merriment filled the air in this costumed carnival with a New Orleans theme. Such fun will never be duplicated!

The club relaxed for the remainder of the year more of its parties like the one they had at New Years. Beach trips have been planned for the summer.

The French Club is open to all fun seekers; you don't have to know a word of French. Those who weren't members this year don't know what they missed.

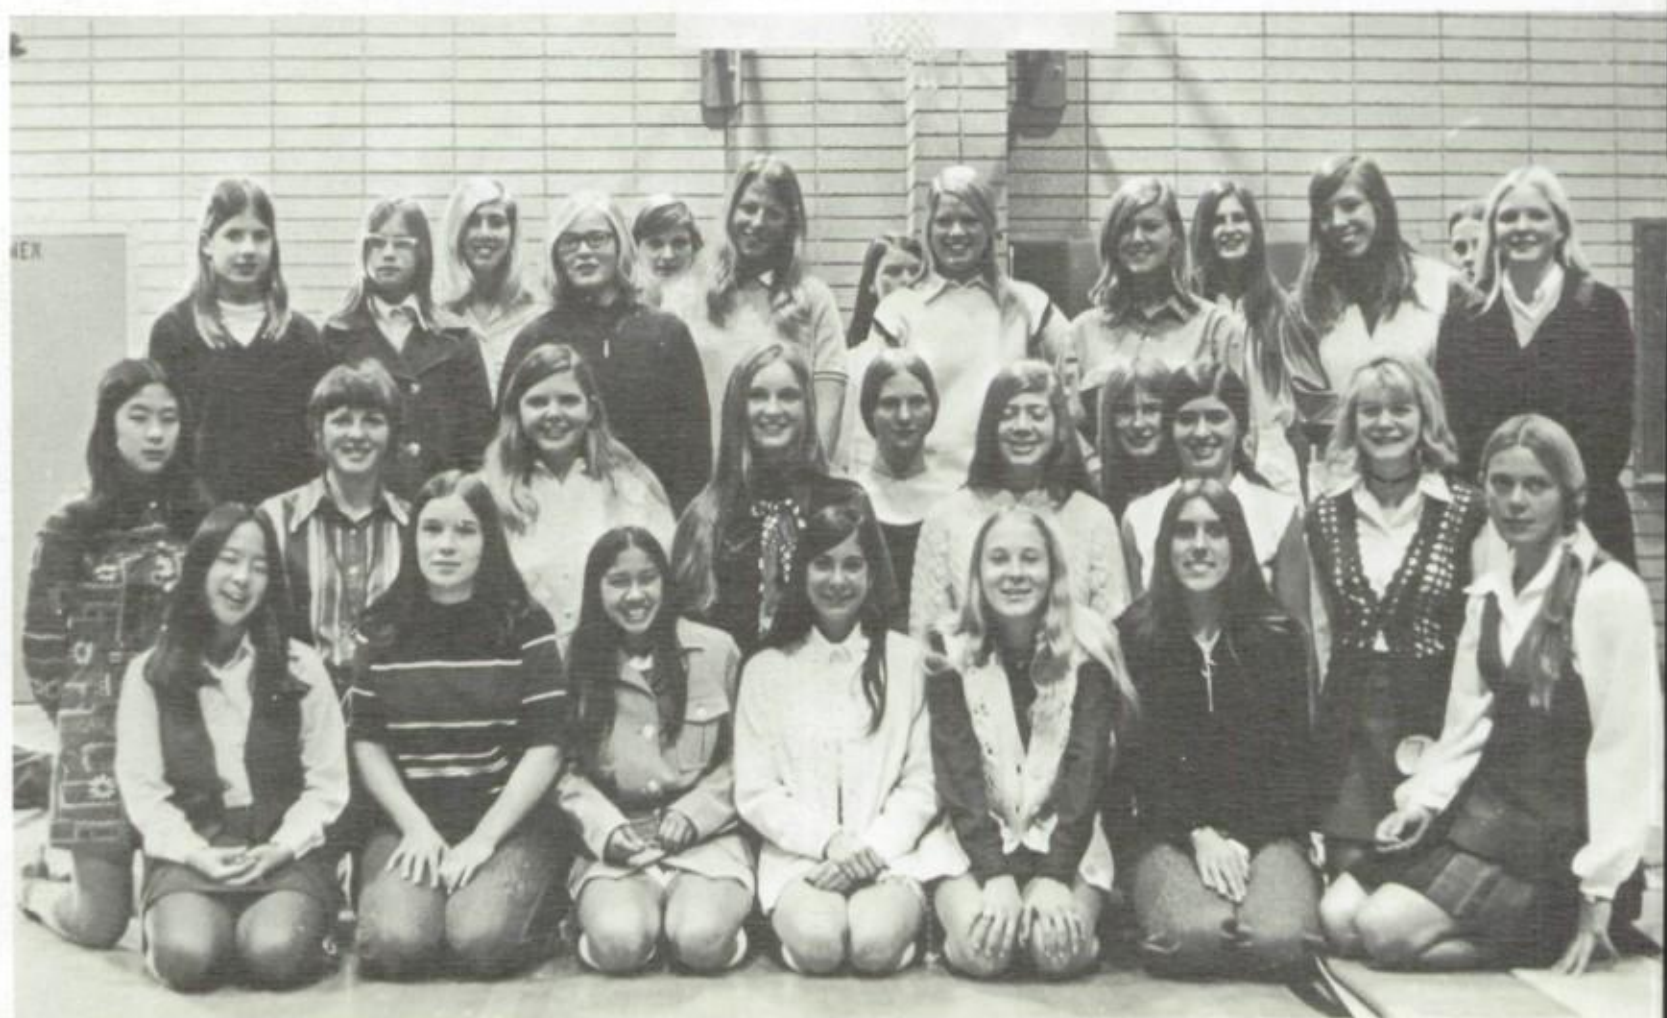

# GIRLS SPORTS CLUB

Girls sports club is one of the most active on campus. Usually about 50 girls compete in hockey, tennis, basketball, volleyball, badminton, gymnastics, and softball. The purpose of the club is to encourage sports participation at Awalt and against other schools and to improve sports skills and to enjoy sports.

The girls had a good season in hockey and did well in tennis. In fact, the Awalt tennis team came in first place under the instruction of Miss Bonnie Davenport.

Some extraordinary events carried out by G.S.C. were a mother-daughter tennis tournament, a table tennis tournament, and a mother daughter recreation night last spring. G.S.C. also puts on the annual twirp dance.

# POLITICS AND POP BOTTLES

At Awalt, the Model United Nations is a club under the supervision of Mr. Jerry Bacon. Each year the members go to the Model United Nations Convention of acquaint themselves with parliamentary procedure and current world situations from the point of view of the other countries.

At the University of California at Berkeley, we hold meetings under the supervision of University of California students and advisors from each high school. Member delegates from each high school are assigned to specific United Nations committees to deal with resolutions proposed by the delegates prior to the Convention.

In the months before the convention, the Awalt Model United Nations Club prepared for the mass meeting by studying world problems through the view point of Norway.

Though not an official part of the Ecology Club, the Recycling Center has done much to further the cause of ecological awareness. The Center was begun by Awalt students at 3311 Grant road on property donated by Mr. John Viscovich. George Kisler, Brent Lahner, and Barb Edwards serve as Manager, Assistant Manager, and Secretary respectively.

The Center is open from 10-3 every Saturday and Sunday. Aluminum, bi-metal, and tin cans are crushed and sold to industry. Glass of all colors is sorted and crushed and also sold to industry. All proceeds are reinvested in the Center for improved facilities.

The Recycling Center is a good example of what students can do on their own to help fight a national problem.

# PAWNS AND PARRIES

Under the great coaching of Gordon (the Gem) Janowski and President Si Drury, the Awalt Spartan Chess Team made it to the finals in the Los Gatos-Santa Clara Chess League.

It was a memorable year for individuals also as both Si Drury and Steve Rosen were rated in the top ten of the league. Si also defeated a brilliant computer in a three hour game. Rod Mosely got a league record by checkmating his opponent in four moves.

Every man on Awalt's Chess team had a winning season.

K.Chewey, S.Drury, D.Hard, G.Massone, R.Mosely, J.Powers, S.Rosen, M.Weldon, B.Wissel, King: G.Janowski.

Dawning their fencing apparel and sabers, Awalt's fearless Fencing Clubbers would jab, parry, and slash with the utmost of competitive stimulation. The Fencing Club, although lacking quantities of members, managed to muster three people to form a club, and thus a picture in the yearbook.

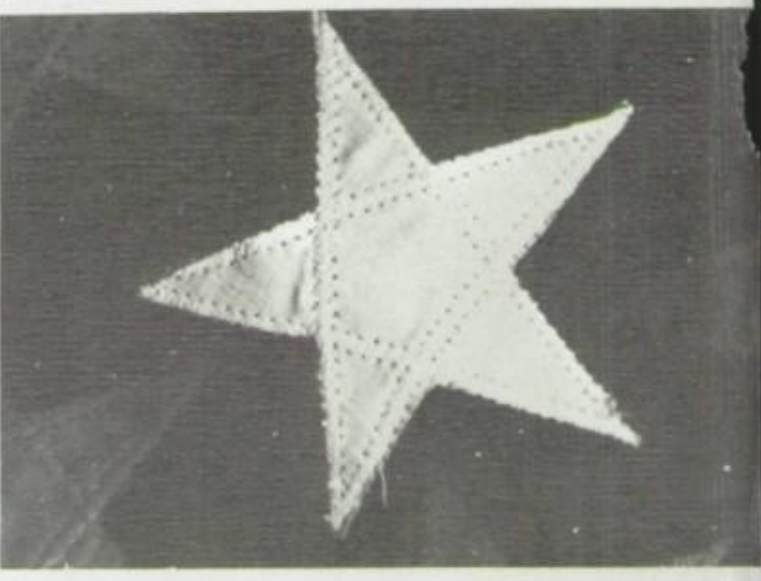

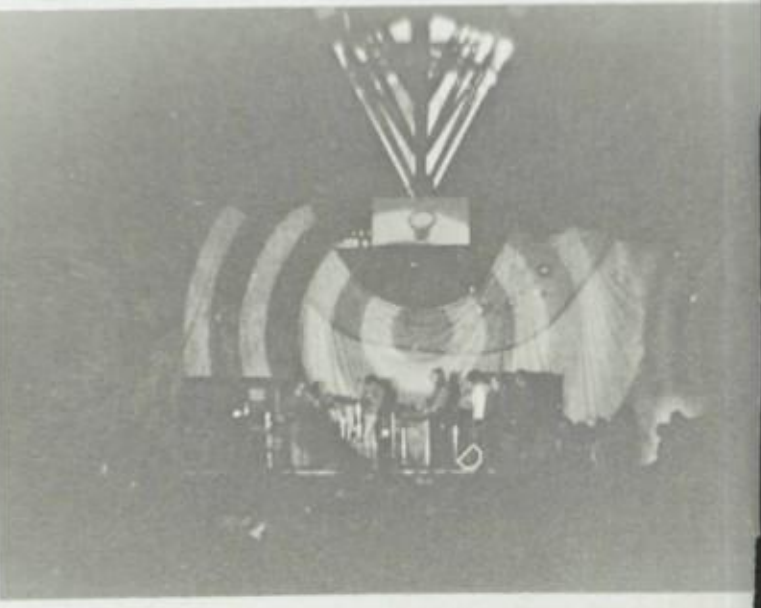

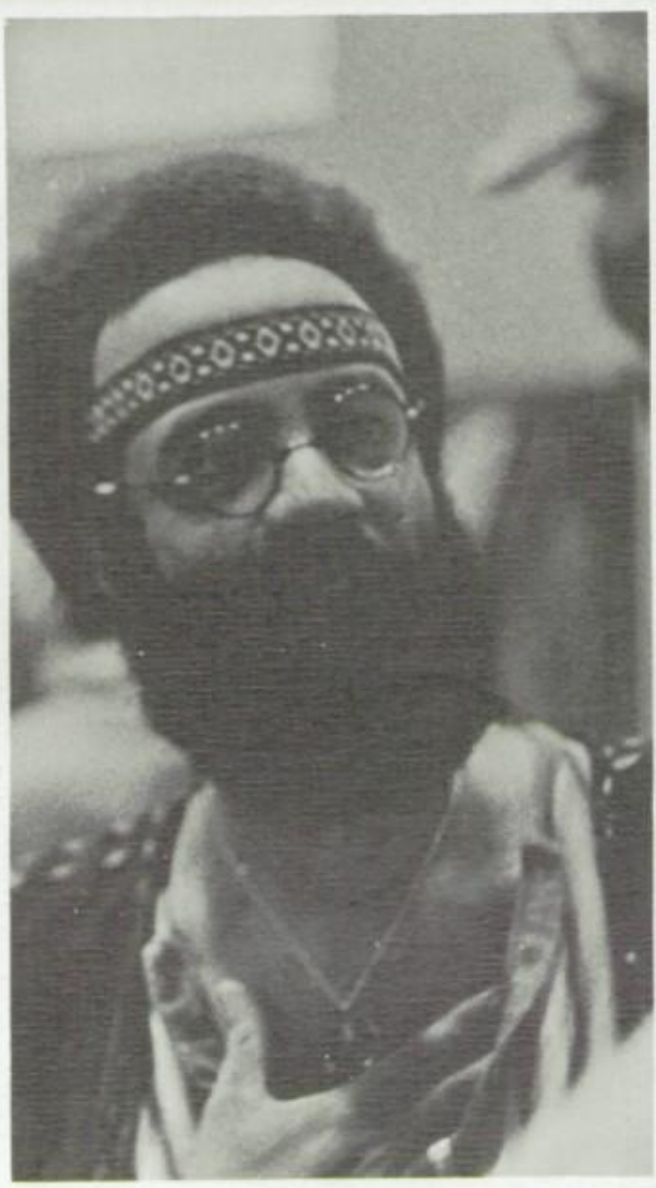

# ORACLE INFORMS AWALT COMMUNITY

The "Oracle", Awalt's school newspaper, written by the students and supervised by Mrs. Vosovic, again provided the school with news, opinions, gossip, and humor this year. The "Oracle" staff has done a fantastic job of showing a genuine cross-section of the student body and showing the views and opinions of every type of student.

# IF OUR FRIENDS COULD SEE US NOW

After many years of service to Awalt, Mr. Stanley Lowe and Mr. Ray Agarpo retired from the custodial staff. The farewell event was celebrated by the presentation of Awalt jackets by Blake Neubauer at an/all-school assembly. Later, the faculty presented both men with mugs at a cake-and-punch party.

# AWALT MUSICIANS TAKE SIX "COMMAND PERFORMANCES"

At the California Music Educators' Annual Music and Ensemble Festival held at San Jose State on March 13, Awalt musicians received the highest honors. Len Cook, Coordinator of Awalt High School's music program, said, "We took eight groups and received six Command Performance ratings, the highest bestowed at the festival."

In the solo division the following Awalt students received "Command Performance" ratings: Marilee Mortarotti, violin; Sally Cooperrider, flute; and Linda Mortarotti, flute. Sally and Linda received the coveted award a second time when they performed in a duet.

Awalt's String Quartet and Woodwind Quintet also received "Command Performance" ratings while their Flute Trio won an "Outstanding" rating. These ensembles were directed by Awalt Instrumental music instructor Barry Ehrlich. In the String Quartet were: Marilee Mortarotti, violin; Andy Levien, violin; Lonnie Langston, viola; and Leslie Stone, cello. Lynne Rehder, Marie Jackson, and Leslie Roberts composed the flute trio. In the Woodwind Quartet were Sally Cooperrider, flute; Jennifer Jaschob, bassoon; John Nelson, oboe; Sue Kefauver, clarinet; and Val Ligda, French Horn.
